## CONGRESS PREPARES TO ACT ON LEGISLATION TO HIKE SOCIAL SECURITY

WASHINGTON (AP)—An across the board increase in Social Security benefits moved rapidly toward election year action in Congress today.

The House Ways and Means Committee reached all but final agreement on a flat 7 percent boost in old age and disability payments, with a minimum \$3 increase for all persons now receiving retirement checks.

## Living Costs Up 105 Pct. in Last 20 Years

By NORMAN WALKER

WASHINGTON (AP)—Living costs have gone up 105 percent in the 20 years since 1938, years that have included World War II and the Korean War.

That means that on the average, you must pay \$2.05 today for something you could have bought for a dollar back in 1938.

The government released its latest living cost index Wednesday. It showed a fractional rise from May to June, less than one-tenth of 1 percent. But is of a new living cost record, the 20th set in the past 22 months.

Government experts provided figures on request showing the story of those 20 years, broken down into 5-year stanzas.

Their data show that from 1938 to 1943 consumer costs rose 23 percent; from 1943 to 1948, 39 percent; from 1948 to 1953, 11 percent; and from 1953 to 1958, with President (Turn to Page Eighteen)

## Legion Urged To Campaign for a Stronger America

PHILADELPHIA (AP)—Gov. George M. Leader asked the American Legion today to campaign for stronger armed forces and an all out program of higher education.

He also called on the legion to "awaken America" to the need for an adequate civil defense and for basic scientific research.

"The time has come when the veterans of America must take it upon themselves to awaken their sleeping compatriots to the danger which confronts us all," the governor said in a prepared speech.

He spoke this morning at the convention of the American Legion's Pennsylvania Department.

The governor stressed the need for a better education to meet what he described as a very serious threat from a Russia which is outstripping us in almost every field, especially modern weapons.

U. S. Sen. Edward Martin (R-Pa.) and Mayor Richardson Dilworth are also on the agenda for speeches to later sessions.

Several of the proposed resolutions may provoke some controversy when they reach the floor of the convention.

## Louisiana Blonde Is Miss U. S. in Universe Contest

By DIAL TORGERSOON  
LONG BEACH, Calif. (AP)—Miss Louisiana, a slender blonde with that special sparkle, is the new Miss United States in 1958's Miss Universe contest.

Eurylyne Howell, 18, has the quality the beauty pageant's top judge described this way:

"You fall in love with her as soon as you see her."

Eurylyne has a dazzling smile, blue eyes and long, honey blonde hair. She speaks with a soft Dixie drawl and fits her self-description: "A Southern lady."

She is 5 feet 6, weighs 119 and measures 36-23½-35½. These charms helped her Wednesday night in winning over a field of four other blondes, three of them also representing Southern states.

The runners-up, in order, were Miss Florida, Marcia Valibus, 20, Miami Beach; Miss Alabama, Judith Lucille Carlson, 18, Birmingham; Miss Illinois, June Pickney,

For those workers not yet at retirement age, it would mean deduction of up to \$25.50 more a year from their take-home pay because of a one-quarter percent hike in the Social Security tax and enlargement of their taxable wage base from \$4,200 to \$4,800.

The committee reached informal agreement on the benefit hike and an accompanying tax increase after rejecting a proposal for a flat 10 percent raise in benefits.

Some members, however, were hopeful the Senate would change House figures to bring the increase near the 10 percent level.

Chairman Wilbur D. Mills (D-Ark.) said he hoped to have a completed bill ready by Monday for presentation to the House, where passage was regarded as certain.

The benefit increase probably would take effect next year along with the accompanying hike in the tax rate.

The committee plan also calls for a speedup in the schedule of periodic tax increases now provided under present law. It would move up from 1975 to 1969 the date when the maximum tax on workers and employers alike fall due, and raise the final tax rate from 4 1-4 to 4½ percent.

Commies Reported To Be Fighting Nasser

By THE ASSOCIATED PRESS  
BEIRUT (AP)—Returning travelers say the Communists have come into open conflict with President Nasser's forces in Aleppo, northern Syria.

The informants said the Reds organized "volunteer bands" of 50 each to shout "Down with Nasser" in public places. When they began shouting near the officers' club, more than 200 were arrested.

Since the Syrian-Egyptian union in February, Aleppo has had an economic slump and the Communists are trying to blame it on Nasser. A bad crop this year caused a general drop in buying power.

First B52G Jet Bomber Rolls Off Production

WICHITA, Kan. (AP)—The first B52G jet bomber, which may be able to fly halfway around the world without refueling, rolled off the production line at Boeing Airplane Co. Wednesday.

Boeing says the new plane is in the 650 m.p.h. class, can go higher than 50,000 feet and has better range, than its 6,000 mile plus predecessor.

Aviation writers who saw the plane estimated its range at 10,000 miles.

## High School Senior In 'Casters' Final

Joe Massa, Jr., son of Coach and Mrs. Joseph Massa, 302 Morrison street, was notified by telegram this morning that he has been selected as one of the eight finalists in the Junior Sportscaster's Contest sponsored jointly by Pittsburgh Pirates and Atlantic Refining Company. Joe and his parents have been invited to attend a dinner in Park Schenley Hotel, Oakland, on Thursday, July 31, to hear details of the final competition. Joe, a senior in Warren High School this fall, won the local contest run by Frank Fiesl, local sportscaster. Some 75 radio stations which carry Pirate ball games sent tapes of local winners for selection of the finalists. Stokes Studio

## Swift Passage Of Reorganization Bill Anticipated

WASHINGTON (AP)—Swift House passage was expected today for a compromise defense reorganization bill hailed by President Eisenhower as meeting most of his specifications.

The Senate was set to act soon afterwards, sending the bill to the White House and almost certain approval by Eisenhower.

The bill, approved Wednesday by Senate-House conferees, embodies much but not all Eisenhower sought in the way of authority to reorganize the Pentagon.

Essentially the bill accomplishes what Eisenhower advocated to clarify the command of the President, through the secretary of defense, over Army-Navy-Air Force-Marine task forces in the field.

But Congress, traditionally insisting on preserving the identity of the separate services, did not give the defense secretary all the peacetime power Eisenhower advocated to tighten organizational control over the services. Moreover, Congress wrote in some provisions which it described as safeguards but which Eisenhower has criticized as possibly obstructive.

The measure does reduce the powers of the service secretaries and the individual military chiefs.

Missing Boy Is Found Asleep on Nearby Porch

TARENTUM, Pa. (AP)—A missing seven-year-old boy was found asleep on a neighbor's porch in nearby Springdale early today following an extensive search by policemen and firemen.

John Zimmerman, son of Mr. and Mrs. Jack Zimmerman, was found sleeping under a porch rug by his uncle, Eugene Adams.

The youngster was reported missing at 8:30 p.m. Wednesday. Police searched for him until 2 a.m. today, then called out about 65 volunteer firemen from Springdale and Cheswick.

Slain King of Iraq Leaves Small Estate

LONDON (AP)—King Faisal of Iraq, slain in the revolt that overthrew his government 10 days ago, left an estate in England tentatively valued at 26,876 pounds—\$74,253—the British public trustee said today.

A spokesman declined to say what the estate consisted of. Who inherits the estate is in doubt. Most of the Iraqi royal family was killed along with Faisal.

## Planes and Ships Search For Thor Cone

CAPE CANAVERAL, Fla. (AP)—Ships and planes searched Atlantic waters off the African coast today for a small white mouse who could tell man a lot about the perils of travel in outer space.

The mouse, named Wickie, was blasted aloft Wednesday. She rode in an air-conditioned chamber inside the nose cone of a Thor-Able rocket.

The rocket, said the Air Force, performed satisfactorily. That meant that it climbed 600 miles above the earth, then angled over into a horizontal flight that reached 6,000 miles to the vicinity of Ascension Island near the African continent.

If the rocket's nose cone was found after its plunge from space, it could solve many secrets.

Military men wanted to know if the cone could withstand the (Turn to Page Eighteen)

## Heart Ailment Causes Death of Industrialist

PITTSBURGH (AP)—Alan Magee Scaife, 58, a leading Pittsburgh industrialist, died unexpectedly today.

Officials of Magee Hospital attributed death to a heart ailment. Scaife had been hospitalized one week for observation.

Scaife was board chairman of the Scaife Co., a steel fabricating firm. He also was vice president of T. Helton & Sons, a firm made up of members of the Mellon family. It either controls or has considerable financial interest in many corporations.

Scaife's wife, the former Sarah Helton was a niece of the late Andrew Mellon, one time secretary of the treasury.

Scaife was chairman of the board of trustees at the University of Pittsburgh. He took a prominent part in the renaissance of Pittsburgh during the past few years, helping supervise multi-million dollar projects which include re-development of much of the business section.

Scaife spearheaded the drive to make the medical school at the University of Pittsburgh one of the best in the nation. He helped create the committee which raised millions of dollars for the school. The same committee was responsible for bringing to Pitt Dr. Jonas Salk, discoverer of the Salk infantile paralysis vaccine.

In 1955 Scaife announced a 10-year plan to raise 100 million dollars for the University of Pittsburgh. Much of this amount has been raised.

Scaife returned recently from a Russian tour. He was in a group of educators who toured the Soviet to study higher education. The group included Chancellor Edward Litchfield of Pitt.

Four Women Are Named to British House of Lords

LONDON (AP)—For the first time in British history, four women were named today to the House of Lords.

They will hold special life peerages along with 10 men named by Queen Elizabeth II to put new life into the ancient, all-male chamber.

The new peeresses, who will take their seats in November are: Barbara Frances Wootton, 61-year-old economist, author and former professor. One of Britain's leading intellectuals, she is a Labor party supporter.

Dame Katharine Elliot, 55, three time British delegate to the U. N. Assembly, active Conservative party worker, and chairman for the Advisory Committee on Child Care for Scotland.

Baroness Ravensdale, 62, chairman of the National Assn. of Girls' Clubs and a leader in the campaign to put women in the House of Lords.

The Dowager Marchioness of Reading, chairman of the Women's Voluntary Services for Civil Defense, which she founded in 1938.

## Warren County Fact Manual In Preparation Nearly Year Makes Its Appearance Today

A new comprehensive Warren County Fact Manual which has been in preparation for nearly a year has been completed and is making its appearance today. The Fact Manual is a 140 page volume of information about the resources of Warren County.

The material was collected by the Warren County Development Association under the supervision of Arthur D. Little, Inc., Cambridge, Mass.

The completed book was examined last evening at the regular board meeting of the Association held in the Warren Chamber of Commerce offices. Designed primarily for industrial development workers and for use by industry interested in the Warren area for plant location, the Manual contains exhaustive data on such subjects as Population, Labor Force and Employment, Extractive Resources and Agriculture, Selected Economic Characteristics, Power and Fuels, Water Supplies and Waste Disposal, Transportation and Communication, Housing and Zoning, Government Finance and Services, Community Facilities and Services.

Compilation and printing of the Manual cost the Association several thousand dollars; but a portion of the funds are supplied by the Pennsylvania Industrial Development Assistance Act. Copies of the Manual will be given immediately to the State Department of Commerce, to utilities and railroads engaged in industrial development for this area, and to business firms expressing an interest in Warren County for possible expansion. A copy has been presented to the Warren Public Library for those interested in inspecting the work.

## Symington Calls For Increase in Nat'l Debt Limit

WASHINGTON (AP)—Sen. Stuart Symington (D-Mo.) called today for another increase in the national debt limit to cover bigger defense spending.

Symington, in a speech prepared for floor delivery, said that if this is not done, there will be "a repetition of last year's cash crisis in the Pentagon."

Meanwhile, it was learned that Secretary of the Treasury Anderson already has sounded out key members of the House Ways and Means and Senate Finance committees on a further boost in the debt ceiling.

It was understood also that Sen. Harry F. Byrd (D-Va.), Finance Committee chairman, has agreed some increase probably will be needed, but has urged Anderson to hold the limit to 285 billion dollars.

Symington said that the administration's decision not to ask for an increase in the 275 billion ceiling last year caused a disastrous stretchout of defense spending last fall.

This not only lessened the nation's military strength but also helped bring on an economic recession, he said.

## WEST'S DIPLOMATS SAY NEXT MONDAY MUCH TO SOON TO OPEN MEETING

By JOHN M. HIGHTOWER  
WASHINGTON (AP)—President Eisenhower began writing a new message to Premier Khrushchev today insisting that the ground rules be spelled out clearly in advance of a United Nations summit conference.

U. S. officials said it seems certain that the meeting will be held. But here, and in other Western capitals, the view was that the opening day suggested by Khrushchev, next Monday, is much too soon.

Diplomats estimated it would take two or three weeks of negotiations to determine exactly what countries should be included and what procedures should govern discussions.

Nothing quite like the proposed historic conference has ever been held at the U. N. Security Council in New York. Important precedents will be set.

Recognition of this was reflected in a stand by Senate Republican Leader William F. Knowland of California that the free nations should not accept any Khrushchev conditions which weaken the U. N.

Knowland told a news conference he considered a fundamental issue to be whether the Soviet government, or any other

country, can in effect unilaterally change the procedures of the U. N. by fiat of its own. If this is permitted, he said, it will in effect have undermined and ultimately jeopardized the future existence of the organization.

Knowland's views are among a considerable flow of congressional opinion that the White House is receiving informally through liaison officers.

## Government Plans Security Measure for Soviet Visitor

WASHINGTON (AP)—The government has started planning the extraordinary security measures to be taken to protect Soviet Premier Khrushchev's life, if and when he comes to New York.

State Department agents will cooperate with the New York City Police Department to handle what is considered the most challenging security task ever faced in modern history in connection with the visit of a foreigner.

New York Police Commissioner Stephen P. Kennedy has assured the State Department his 22,000 policemen are capable of coping with the task, however difficult.

Those planning the security measures feel their biggest problem may be provided by

some insane fanatic rather than any of the anti-Soviet political and refugee groups.

As an initial step, Edwin L. Lennerts, head of the State Department's Security Field Office in New York, met Wednesday with New York police authorities.

William L. Uanna, chief of the State Department's Division of Physical Security, will direct the federal government's role in the security network.

There are now no plans for calling out Army troops or Marines to bolster the security forces which will guard Khrushchev's every step. White House press secretary James C. Hagerty said he knew nothing about a published report that 5,000 Marine reserves would be called for guard duty.

London Says Soviet Leader Scored Propaganda Coup

By JACK SMITH  
LONDON (AP)—It is not hard to understand why Nikita Khrushchev is buoyant and bubbling on the cocktail party circuit in Moscow these days.

The Soviet Premier is scoring one of the biggest propaganda victories since the cold war began.

If a United Nations summit meeting is held as expected, Khrushchev will appear in the popular European mind as the man who initiated it all.

The people of Europe have yearned for months for talks at the top. The people of Europe never have quite grasped the diplomats' view that an unsuccessful conference could raise world tensions close to the breaking point.

Now, to the man in Europe's streets, Khrushchev is the government chief who took the initiative for summer talks when the threat of World War III was real. War fears were strong after the Iraqi revolt and American-British military landings in Lebanon and Jordan.

Events of the last nine days have played neatly into Khrushchev's hands.

He is able to pose as the great champion of Arab nationalism and Arab unity. The nationalist aspirations and desire for union are a powerful force in the Middle East today.

Most important in the long run will be the fact that the Soviet Union is now recognized as a power with a direct interest in the Middle East.

This has been one of the aims of Soviet diplomacy and fought stubbornly by British and other Western governments.

Private Family Argument Flares Into Auto Warfare

INDIANAPOLIS (AP)—What started out as a private family argument rapidly flared into motorized warfare Wednesday, and when the smoke of battle cleared these were the results:

Four persons, three of them innocent bystanders, in hospitals.

Three automobiles badly battered.

One man in jail.

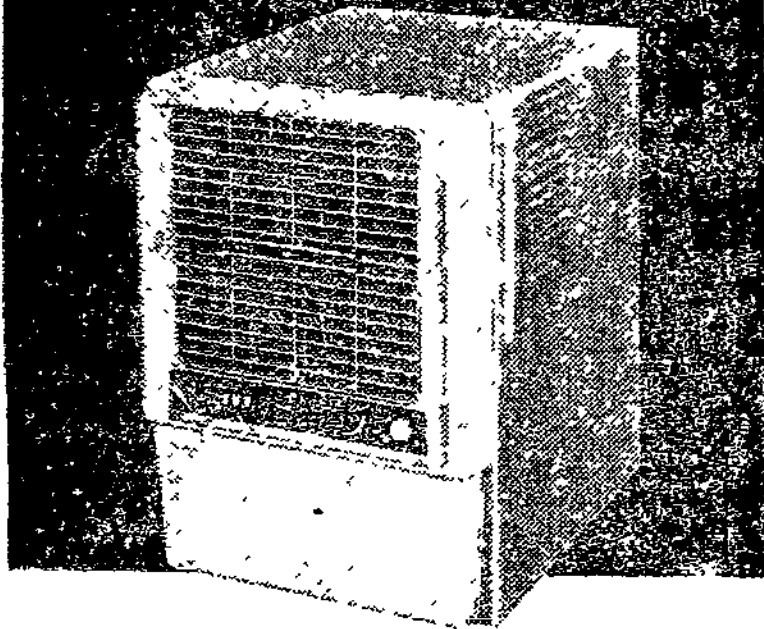

Patrolman Herbert E. Tolle gave this account:

Oscar L. Holt, 33, was driving along when he suddenly stopped his car and began beating and stabbing his wife Doris, 39. Mrs. Holt, already cut in the chest and one hand, leaped from the car and ran screaming down the road with her husband driving in hot pursuit.

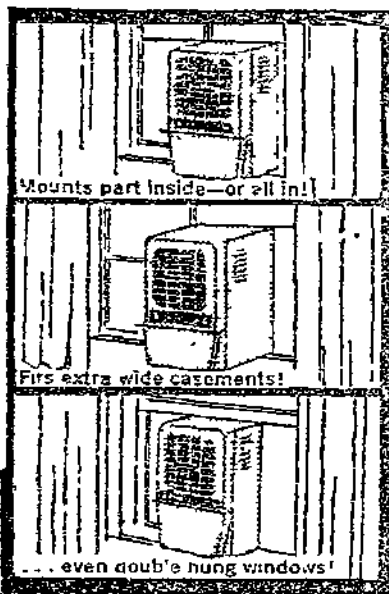

Richard W. Hawk, 65, came wheeling along in his car, saw

## Halt Is Noted in Recession Slump of Consumer Goods

By FRANK CORMIER

WASHINGTON (AP)—The Commerce Department says the recession slump in sales of autos, appliances and other consumer durables seems to have been substantially halted.

This appraisal came on the heels of a report by President Eisenhower's economic advisers that the national economy tilted upward in the April-June period for the first time in nearly a year.

The economists reported, however, that consumer purchases of durables continued to slump during the three-month period.

Looking at just the June figures the Commerce Department said: "The decline in outlays for consumer durables, which constituted the major area of recent weakness in consumers' buying, appeared to have been substantially arrested."

Commerce, in its monthly survey of current business, said June produced additional evidence of firmer business conditions.

Eisenhower's Council of Economic Advisers estimated that

second-quarter output of goods and services increased to 423 billion dollars at a seasonally adjusted annual rate.

Known as the gross national product or GNP, this most comprehensive of all economic indicators was up from a recession low of \$425,800,000,000 in the first quarter. It hit a peak rate of \$445,600,000,000 in the third quarter of 1957.

Increased purchases by individuals and by the government were responsible for the recovery in the GNP. These components rose more than enough to offset a continued slump in gross private domestic investment—construction, inventories and business plant and equipment.

Businesses in the April-June quarter continued to liquidate inventories at the record first-quarter annual rate of 9½ billion dollars.

The Commerce report noted that personal income, a good clue to consumer purchasing power, has regained in recent months all the ground lost early in the recession.

## Heavy Rains Halting Farm Activities in Some Areas

HARRISBURG (AP)—Heavy rains have halted farm activity in some parts of the state and sunshine is needed to allow farmers back into their fields and to keep crops from spoiling, the State Agriculture Department reports.

The department's weekly crop summary for the week ended Monday said in part:

"Heavy rains halted farm activity in northwestern counties during the week. In a number of other areas, showers hampered haymaking and grain harvest."

"Rain throughout the state caused a lay spoilage problem. Many fields had been cut but the crop spoiled on the ground because of unfavorable weather."

"While wet weather has caused some potatoes to rot in the ground in northern tier counties, early potatoes are being marketed in southern counties and early sum-

mer cabbage is moving to markets in volume."

"Limited volumes of early sweet corn, tomatoes, cobbler potatoes and some early peaches also began moving to market during the week."

"The red sour cherry harvest has passed its peak in the Adams-Franklin fruit belt. Tobacco is showing progress and some early plants are expected to be ready to top by July 26."

"Pennsylvania's wheat harvest is at its peak in the southern and in some central parts of the state, with good yields reported. Winter oats harvest is under way in southern counties and spring oats are maturing rapidly in central areas. Corn is beginning to tassel in southern counties but a warm dry week is needed for proper pollination."

## Morgan Ridicules The Kinzua Dam Recreation Plan

By DAVE BROWN

Dr. Arthur Morgan ridiculed ambitious recreation area plans for the proposed Kinzua Dam reservoir when he addressed a small group of citizens at the Warren county court house last evening.

The distinguished hydrodynamic engineer, whose experience has been gained by heading such projects as the mammoth Tennessee Valley Authority, used almost straight up and down motions with both arms to depict the steep hillsides leading up five to six hundred feet from the Kinzua Valley floor.

"As if the building problem alone were not complicated enough," he said, "you must remember that the government will not allow any habitations below the proposed pool elevation of 1365 feet. Yet, it must be considered that the low ebb in the pool would be about 1240 feet."

Dr. Morgan predicted the fluctuations in the Kinzua reservoir would be in the neighborhood of 100 feet whereas, in the proposed alternate reservoir along Conewango Valley in New York State the fluctuations would be from "10 to 15 feet."

Conewango reservoir would allow 27 square miles of recreation facilities, compared to 3.5 for the Kinzua Dam.

Another great recreational impetus to the Conewango plan would be that the hills are gently rolling, meaning less distant displacement of home owners, for one thing, plus allowing much greater chance for solid recreation improvements. He pointed out that in his experience, adjoining property values have increased where the land was favorable to development and that in Tennessee the recreation expenditures now exceed what is paid the TVA for power.

"Tennessee's man-made lakes have become a sea of motorboats," said Morgan, "and previously the state had never been considered a vacationland. The potential exists under proper conditions."

Richard Morrison, Kinzua, president of the "Save Our Valley" committee, presided.

"The Seventh Commandment." The story, she related, was a composite of several cases that have actually happened in the British Isles. A husband and his pregnant wife are involved in an auto accident that causes her to lose the baby and him to become sterile. They have a test tube baby.

After the wife gives birth to the child, the marriage breaks up and the husband sues to have the child declared illegitimate. Two such cases have been tried in England and Scotland, Julie said. In one instance, the husband won, in the other he lost.

"We shot two endings to the picture," she added. "The one in which the birth is ruled to be adulterous will be used in Catholic countries, where artificial insemination is condemned. The other ending will be used in England and America."

Julie admitted she had some qualms about doing the picture. She recalled how her 9-year-old daughter picked up the script and asked what the word "adultery" meant. "It's a funny feeling to be making pictures your own children can't see," she sighed.

But the era when all films can be shown pure for children's eyes has passed. Nowadays producers have to aim for more adult themes, and heaven only knows what they'll tackle next.

## New All-Time Record Is Set in Use of Public Library Circulation Figures Show

According to Librarian George Coyle, "if you have borrowed a book from the Warren Public Library during the last year, you had a part in establishing a new all-time record for library use in the community."

The 1957-58 book circulation figure of 322,158 was up 12,148 over last year, she reports, with approximately 41 books circulated to each registered borrower. Most outstanding was the sharp increase of 3,939 in circulation of non-fiction books for adults, an indication of the switch from fiction to fact.

In addition to the upward trend in books taken out for use, there has also been an increase in use of other library services. More people have come in to browse, to study for pleasure, or with a purpose. Many visit the library regularly, without ever borrowing a book, the librarian states, so that circulation figures are only a partial indication of total library use.

Besides the books loaned, 74 phonograph records were circulated, and reference work done by library assistants showed a substantial increase. The 1957 borrowers registered was up 1,351 over last year, making 53.46% of all Warren residents registered patrons.

"Assembling a good collection of books for all ages and interests, and then getting these books to the people in the community, is the main function of the library," Mrs. Coyle continues. "During the year, a total of 2,601 books was added to the library, while 1,711 were withdrawn because they were worn or out of date, bringing the present total of the collection to 81,961."

In her annual report, Mrs. Coyle points out that "we are desperately in need of additional income in order to maintain the status quo. To expand and develop our service, and build the strong subject collection we need, still more money is needed. This librarian firmly believes the people of Warren, through their borough government, will see the Warren Public Library will not be allowed

to slip backward into mediocrity."

Referring to Memorials, Mrs. Coyle indicates this phase of local service has amazed many librarians who hear of it. Memorial income this past year amounted to \$2,570.51, over \$300 more than last year's receipts, and making possible addition of 689 books to the collection.

Continued interest in the library by people of Warren is indicated by the fact many join Friends of the Library and have provided \$1,330.70 in funds for the following projects: Drinking fountain installation; part of the cost for lights for the new basement workroom; purchase of a new electric sweeper and new desk chair.

Plans for the future include folding chairs for the meeting rooms. A photo copy machine has already been purchased with money from this fund, in cooperation with Warren County Historical Society, which paid one-half the cost. A fund is also set aside for purchase of a microfilm reader, to be installed next year.

Attention was given, in the report, to reference and readers' service; school service; the children's room; publicity; exhibits and displays; needed repairs; staff personnel and salaries; budget; observance of National Library Week; participation in community service.

Under Gifts, Mrs. Coyle referred members to the report list, but spoke especially of gifts for purchase of books received from the Sisterhood of Tiphereth Israel and the Knights of Columbus.

She mentioned, also, an endowment in memory of Caroline Wetmore Hiles, established by her son, Sidney Wetmore Davidson, these books to cover travel and allied subjects. Appropriate bookplates have been designed and printed by Mr. Davidson and will be placed in all volumes added to this collection.

In conclusion, Mrs. Clyde expressed appreciation to many who have aided the library during the year, the Jaycees, news sources, Betty Lee store, and many others.

## Plans Announced By County Agent For Farm Tour

O. C. Tritt, Warren County Farm Agent, has announced plans have been completed for the Annual Auto Tour.

The Tour, to be held Wednesday, July 30th, offers farm families an opportunity to visit a number of interesting farm operations throughout the county.

All cars will assemble at the Warren State Hospital Dairy Barns at 10:00 a. m. The herd at the hospital shows the results of 10 years of artificial breeding, and many dairymen will be interested in comparing the animals with their own.

The second stop will be at the White Way Drive-in at Starbrick, where an electrically heated home will be inspected, and where the ladies will enjoy a Fashion Show prepared by 4-H Home Economics Club members.

Following a basket picnic at Wilder Field, the tour will move on to Lester Peterson's farm near Pittsfield to observe this year's high herd in the Dairy Herd Improvement Association (DHIA).

From Peterson's, the group will travel to Clarence Kellogg's farm at Garland where they can see the operation of a milking parlor and pipe line milker. Mr. Kellogg milks 130 cows at his farm.

The final stop will be at Hobart Sanders & Sons Farm, east of Sugar Grove. This farm will soon have capacity for 185,000 broilers, and is a highly mechanized poultry operation. Many labor saving ideas will be observed.

Mrs. Axel Carlstrom, Akeley, Kenneth Lindell, Akeley, and D. H. Lay, Youngsville, executive committee members of the Warren County Agricultural Extension Association assisted in arranging the tour which promises to be a most enjoyable day.

Farm Tours have been conducted by the Agricultural Extension Service for many years, and have proved to be an effective means of securing new ideas and methods for many farmers.

## Break Yourself Loose With A Kitchen-Aid Dishwasher

On Display at  
Penna. Electric Home Economics Dept.

Why be a  
"SLAVE"  
to your  
dishes

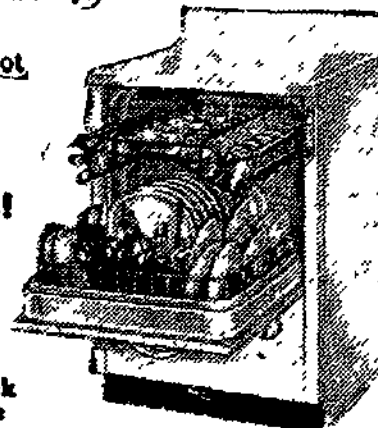

Break those dishwashing bonds with KitchenAid... the wonderful, new, completely automatic home dishwasher. Realize the thrill... that marvelous feeling of freedom from the most tiresome of kitchen chores: washing and wiping dishes, pots, and pans. Relax in the realization of so much more leisure time... in the ability to devote more time to guests without the worry of a sink full of messy dishes after a dinner party.

KitchenAid is the "last word" in automatic home dishwashers... just load it... latch it... forget it! Your dishes are washed, rinsed, and dried, sparkling clean. KitchenAid is gentle, too. No worries about damage or breakage.

Note these "wanted" features... front opening door and two smoothly-sliding independent racks that make loading easy; features you'll appreciate: "powered-water" washing; two fresh, hot water rinses; circulated warm air drying; quick; completely self-cleaning and sanitary.

See our demonstration and you'll wonder how you ever got along without a KitchenAid home dishwasher.

### Choose From Seven Models!

Model KD-21, illustrated, free-standing, automatic, built-in, gravity drain model. Model KD-11 for built-in, under-counter installation. Model KD-31 combination 48" modern sink and dishwasher. All three are available with either gravity drain or automatic pump-drain systems. Where portability is desired, the KD-26 with smooth rolling casters is available.

MR. AND MRS. PHILIP ALLEN REED

Holy Redeemer church was the scene of a pretty wedding at 11:00 a. m. July 5, when Carol Ann Delman, daughter of Mr. and Mrs. Paul Delman, 520 Jackson street extension, became the bride of Philip Allen Reed, son of Mrs. Carrie Reed, also of Warren.

White glads decorated the altar for the double ring ceremony. Wedding music was provided by Mrs. Thomas Donnelly, organist, and Patsy McElhatten, who sang "Mother, At Thy Feet".

Wearing charming lace over satin and carrying a prayer book topped with gardenias and ivy sprays, the bride was given in marriage by her father. Her gown was styled with high neckline, long tapering sleeves

and overskirt of tulle. Her veil fell fingertip length from a victorian headdress of sequins and pearls to complete her ensemble.

Gowned in a sheath model of pink lace, with tulle overskirt, Paula Ahlgren was matron of honor for her sister; in turquoise, bridesmaids were Carole Ehrensberger, St. Marys, and Barbara Benjamin, Warren. Each had a matching picture hat and carried a lace parasol filled with roses. The flower girl, Peggy Ahlgren of Akron, O., and junior bridesmaid, Susan Waginske, were in pink nylon and carried flower baskets. Scotty Hohman was the ring bearer.

Kenneth Patchen, Erie, was best man; ushering were Peter Cappellino, Erie; William Mur-

ray, Meadville; Paul Dellman, Warren.

The reception, from noon until four, was held in Pleasant fire hall, appointments featuring pastel flowers and white wedding bells. Hostesses were Mrs. Grace Mong, Faith Mong, Mrs. Mattie Shine, Audrey Logan, Ruth Morrison and Lucy Pratt.

On the guest list of 200 were relatives and friends from Olean, N. Y.; Akron, O.; Meadville, Erie, St. Marys, Pittsburgh, Cambridge Springs, Swarthmore, Sheffield, North Warren, Washington, Indiana, Brockway and Greensburg.

Returning July 11 from a wedding trip to Watkins Glen, the newlyweds are at home at 2963 West 12th street, Erie. The bride was graduated from Warren High School in 1957 and has been employed by Bell Telephone Company. Mr. Reed, graduate of Tulsa, Okla., Central High School in 1954, is employed at Michael's Beauty Academy in Erie.

## DOWN ONE CLUB

Director R. H. Larsen reminds area players the regular tournament of Down One Club will be held in the Jamestown American Legion at 8:00 p. m. Friday, August 1st will be the clubs monthly Master Point game, a change in date because of the Summer Nationals in Miami and other events.

The bridge-playing public is also reminded of the August 17 Inter-City Team of Four event to be played at the South Shore Inn at North East. Mr. Larsen must have reservations no later than August 13.

A highly-competitive Down One game was played last week, with average 67½ for a six-table Howell movement and top scores recorded as follows: Mrs. Daisy Broadhead and Mrs. E. J. Smedley, 82½; A. J. Roth and R. H. Larsen, 79; Dr. Robert Israel and John Israel, Warren, 78½. In sixth place were Mrs. Shirl Glass, Warren, and Mrs. R. French, with 71.

### All-Out Beauty Campaign Will Silence Husband-Critic

"My husband keeps telling me that I'm getting old and ugly," writes a dejected wife. And then she asks, "What can a woman do when her husband talks like that to her?"

You can teach him better manners in a hurry—if you really want to.

Make an appointment at a good beauty salon. Tell them to take you in hand and hang the expense so long as they can make you look younger and prettier.

Then go to a good dress shop and get yourself some new and becoming clothes. If you need to lose weight, go on a diet and sign up for a course at a reducing salon to help you along.

When the bills start coming in, your husband may blow his top. But let him yell. Nothing he can say about your extravagance will hurt nearly as much as that "You're getting old and ugly" routine.

When he has had his say, remind him that it was he, not you, who was dissatisfied with your appearance. Tell him that you intend to keep right on spending money on yourself until he thinks you look good.

If that doesn't make him change his insults into compliments, nothing will.

Just don't get cold feet about spending money when you start your self-improvement campaign. Any man who is unkind enough to tell his wife she is getting old and ugly ought to have to pay through the nose for his ego-shattering remarks.

And any wife who has been told that by her husband needs the reassurance she'll get from her mirror after a few sessions at a beauty salon and a shopping spree.

### Moriah Lutheran Church at Ludlow Honors Native Son's Anniversary

LUDLOW — Among important anniversaries in a pastor's lifetime are those of ordination by his governing church affiliation. Moriah Lutheran church honored one of its own sons, the Rev. Robert E. Olson of St. John's church in Johnsonburg, when a surprise party was held in the local church to mark the 30th anniversary of his ordination at Mt. Airy Seminary in Philadelphia by the United Lutheran Church.

Son of the late Mr. and Mrs. G. A. Olson, grocers in Ludlow for half a century, he was baptized, confirmed and married in the local Augustana Lutheran church. While attending University of Pennsylvania, where he graduated with a bachelor of arts degree, he early came under the influence of the college chaplain, then a Pastor Gearhart. This man so impressed the young man he could not forget this interest while helping the chaplain in settlement work.

Upon graduation, he took a position, but due to the recession, came home to spend another year. This year of thought helped to crystallize his desire to go into the ministry so he entered the school from which he graduated in 1928. His first charge was at Mammingsquan, then Rummel, N. J. The rest of his parishes have been in Pennsylvania, at Coatesville, Pittsburgh, Leechburg, and, presently, at Johnsonburg. He has always left each church much improved in membership, communion, administration and building, but most of all he has left every congregation better versed in Christian understanding.

He married Linnea Swanson, daughter of the late Mr. and Mrs. C. W. Swanson, a childhood friend, in 1932. They have two children, Emelia, now married to Dr. Russel Moseley of Freeport, Pa., and Robert, a senior at Thiel College. Pastor Olson recently was made a director of Thiel College and elected secretary of the Pittsburgh Synod, U.L.C.A. He has just completed two weeks of teaching.

Toastmaster for the affair was Enoch Nelson, a lifetime friend of Pastor and Mrs. Olson. Appearing on the program was the Moriah Choir, directed by Mrs. Emil Nelson, with a piano solo by young Judy Johnson; vocal duet by Pastor and Mrs. Carl Eliason; violin solo by Oberlin College and home on vacation. Special greetings were given by the Rev. Mallard Nelson of Kane.

Sponsored by the church, friends and members of the church gave a purse of money which was presented by the toastmaster. Pastor Olson gave a beautiful response.

Coffee and a social hour were enjoyed later, with the following committee having made arrangements: Mr. and Mrs. John G. Johnson, Enoch O. Nelson, Mrs. Adolph Johnson, Edith Larson, Thilie Olson, Mrs. Evert Johnson and Mabel Peterson.

### Women's Golf at Country Club

Mrs. Harry Conarro, Jr., with a low gross of 80, led the field of women golfers at Conewago Valley Country Club Wednesday.

In the day's events, Mrs. Homer Culbertson was winner for Division One; Mrs. A. F. Yerg and Mrs. David Beatty tied for the second division; the third group found the following tied for low gross on the par three holes: Mrs. Robert Anstadt, Mrs. H. W. Wildblood, Mrs. B. W. Knapp and Mrs. Harry Schmidt.

Low net points were held as follows: Division One, Mrs. Harry Conarro, Jr., first; Mrs. W. C. Fuellhart and Carol Blackman, tied for second. Division Two, Mrs. David Beatty, first; Mrs. H. L. Banghart, Mrs. James Kannen, Mrs. Jeral Angove and Mrs. William Walters, in a four-way tie for second. Division Three, points were won by Mrs. Robert Anstadt and Mrs. J. H. Frantz.

With the Sharon golf course completely inundated by flash floods, Corry rose handsomely to the emergency to be hosts to the Northwestern Pennsylvania Women's Golf Association in what proved to be an extremely pleasant tournament.

Alan Jacobson of Amarillo who sat South knew that his seven spade bid was slightly optimistic, but he felt sure that there would be a play for 13 tricks.

He won the opening heart lead in dummy and counted 12 top tricks plus a possible thirteenth in clubs. A dummy reversal play seemed indicated provided the trumps would break. Alan cashed dummy's ace of spades and when both opponents followed he ruffed a heart in his own hand. A trump lead back to dummy's jack showed that the suit would break and Alan ruffed a second heart.

He returned to dummy with the ace of clubs and ruffed the last heart with his last trump. Back to dummy once more with a diamond and he led

gross of 79 on her home course. Division One proved to be Warren's own, with the four low nets won by Mrs. Harry Conarro, Jr., Mrs. John Carter, Mrs. Wendell Lawson and Mrs. Homer Culbertson. Mrs. T. W. Fisher won low putts in Division One with 33.

In Division Two, Jane Culbertson won first low net; Carol Blackman, third, and Mrs. H. L. Banghart had fewest putts with 30.

Next tournament for this group will be in Meadville tomorrow.

## PERSONAL

Dear Mary,

Thanks for inviting me to your sewing machine demonstration party last night. I never realized a sewing machine could do such wonderful things and for that price! Several of us girls are going to use our \$5.00 party coupon and get our sewing machine right away. Sally was sure lucky to win that apron door prize. I think I will phone Mrs. Wayne Miller, the Montgomery Ward demonstrator, Warren 2900, and book a party of my own. I will try to have to have 8 or 10 interested guests to make it worth the \$10.00 merchandise certificate they give the hostess. See you soon

Susan

## Kane Woman Speaker At Ludlow Meeting

LUDLOW — Mrs. Bruce Wright, Kane, was guest speaker for the regular meeting of Moriah Churchwomen, reviewing one of the special books related to studies for the year, "Cross and Crisis in Japan". Mrs. Emil Nelson and Mrs. Lillian Hanson sang a beautiful duet.

Rose Nelson, first vice president, conducted the meeting in the absence of the president, Mrs. Carl Benson. Mrs. Homer Gilfert urged members to read more of the missionary books in the library; announcement was made that all articles to be sent to Africa should be brought in immediately, since the boxes are to be packed this week.

Next meeting will be a tureen supper on the church lawn, with guests welcome, the event to be moved indoors in case of bad weather. A short program will be given, the committee will be the elected entertainment committee for the year. Attention is also called to the Sunday school and congregation picnic to be held July 31.

Hostesses for the evening were Tillie Olson, Mrs. Gustav Olson and Alma Nelson, who served from an attractive table.

### UNION POSTPONES

The regular meeting of Glade WCTU, scheduled this Friday, has been postponed one week until August 1, the place to be announced.

## REUNION HELD BY BURT DESCENDANTS

COLE HILL—Descendants of S. C. and Ella Wade Burt held a reunion recently at Island Park at Youngsville, with the 122 members including Mr. and Mrs. Burnel Holmes and family Paul Holmes, Mrs. Iva Holden and Mrs. Edith Junn, Torpedo; Mr. and Mrs. Emmert Holmes, Ross Hill.

Oldest member present was Mrs. Clara Martin, 85. Chosen as officers for the coming year were: President, John Warner; vice president, Bill Warner; secretary, Mrs. Blanche Holmes; treasurer, Clarendon Holden; table committee, Mrs. Edith Junn and Mrs. Irvine Burt.

There have been three births, two marriages and no deaths in the past year: A son to Mr. and Mrs. Kenneth Holden November 29, 1957; a daughter to Mr. and Mrs. Ralph Warner March 2, 1958; a son to Mr. and Mrs. Laverne Holden May 17, 1958. Emmert Holmes and Rose Coon were married April 3, 1958; Laverne Holden and Katherine Stroup on October 26, 1957.

The reunion adjourned to meet the same place the second Saturday in July, 1959.

## HANSON-YOUNGBERG FAMILY GATHERING

LUDLOW — There were 109 persons in attendance for the 15th annual reunion of the Hanson - Youngberg families, held at Wildcat Park Sunday. Visitors were present from Buffalo, Olean, Forestville, Alden, Orchard Park, Lakeview, Gowanda, and Limestone, N. Y.; Miami, Fla.; Youngstown, O.; Franklin, Erie, Titouche, Warren, Mt. Jewett, as well as Ludlow. In charge of arrangements were Mr. and Mrs. Evert Youngberg.

## Save Work With Outdoor Meal Aids

BY KAY SHERWOOD  
NEA Staff Writer

New accessories beamed to catch the homemaker's eye emphasize that outdoor entertaining is an extension of indoor gaiety. These aids to pleasantry have no seasonal restrictions on their use. They'll be equally appropriate on a sunny terrace in summer and by the fireside in winter.

IN FURTHERANCE of outdoor fun, a dedicated handy man and cook-out king may build a great stone monument to the barbecue in a remote corner of the yard.

Some of us maintain that friendship, fresh air and good food can be enjoyed just as much in an attractive place convenient to the kitchen where trays of vittles need to be carried only a few feet.

Smaller, more compact charcoal broilers make outdoor cooking in limited spaces easier. Actual cooking surfaces are, however, ample.

The modern patio with an electric outdoor outlet permits the hostess to set up such aids as mosaic-patterned electric trays which, when plugged in, keep casseroles or coffee hot for second helpings.

Candle warmers for bases of casseroles and carafes are good for keeping foods warm for limited periods of time.

INGENIOUS, INEXPENSIVE new tables are good examples of outdoor-indoor accessories.

These have a round, removable tray top and a folding chrome stand with ball-bearing tips on the tops of the legs.

This ball-bearing arrangement permits the tray top to be rotated for Lazy Susan service.

The trays, in white, blue or

Homemaker loads tray-server in kitchen and brings it to terrace where it rests on ball bearings in a three-legged stand.

gold, come in different designs. There are solid tops, tops with indented relish trays or cheese blocks, tops with cut-out holes for inserting matching ice buckets or punch bowls. They're made in 24- and 19-inch diameters.

DESIGNED ESPECIALLY for outdoor patio rumpers but with a future inside at morning coffee-hour table or a teen-age party is the latest addition to what American glass manufacturers call

"snack sets." This one couples an oval, milky white glass platter with a tall, two-cup mug. The design of the mug is said to keep coffee hot longer.

Other snack sets with conventional-size cups include some very pretty clear glass ones with modified triangular shapes for the plate. The plates of all I've seen are large enough to use for a meat-and-salad supper.

## The Mature Parent Be Glad When Child Learns Parents Aren't All-Perfect

BY MRS. MURIEL LAWRENCE

Mrs. F. writes: "Our 23-year-old son has been engaged to a girl of different religious faith. We accepted it but have not been very happy about it."

"Two weeks ago she broke the engagement because of another man. Now Fred is blaming us. He says that if we'd been nicer to her, she would never have become interested in this other fellow. Last night after words with his father he left home to get his own place. My heart is broken."

Why? Because your son has discovered that you are not a perfectly trustworthy human being?

At 23, it's time for children to discover that we are not the gods of wisdom they used to think we were, but ordinary people capable of misjudgment, prejudice and other human failings. If this discovery is not made, they continue to depend on our judgment instead of starting to exercise their own.

The discovery is often accompanied by rage at us.

So the rage should encourage us instead of breaking our hearts. If Mrs. F. is a sensible woman, she'll see Fred's anger as his resistance to losing his parents as infallible guides who could always be counted on to come up with the right direction. Faced with the possibility that their treatment of his girl was less than perfect, he feels terribly cheated—and has rushed out of their house to become, I hope, a man.

The realization that we are not perfectly trustworthy is necessary if children are to learn to trust themselves.

So we don't have to wallow in guilt when they find us out.

If I were Mrs. F. I'd stop indulging myself in heartbreak and be quietly honest with Fred—and admit without anxiety that I did indeed fail to give him and his girl perfect understanding and kindness.

This unanxious admission of our own limited powers can be very helpful to him.

For what ails Fred is his dread that he failed in perfect relationship to his girl. The more easily that we can tolerate the possibility that our treatment of her was mistaken, the more easily will he be able to stand the idea that his treatment of her was mistaken too.

What he needs is an example of self-acceptance.

## Distinguished Visitors at Warren State

Warren State Hospital had distinguished visitors recently in the persons of Dr. Carl Hartley of Beltsville, Maryland, and Dr. Sheldon C. Reed of the University of Minnesota. Pictured above, left to right, are Dr. Hartley, Dr. Reed, Dr. Robert Israel, Warren Superintendent, and Dr. John Urbatus, assistant superintendent.

Drs. Hartley and Reed are planning with hospital officials for a research project to be carried on at the local hospital under the direction of the University of Minnesota. The project will be concerned with genetic factors in the occurrence of certain mental diseases, an area of study which has received little scientific attention because of the excellence of certain records compiled many years ago at Warren State Hospital, this institution was selected for the study, which will probably require some three years for completion.

During his visit to Warren, Dr. Reed lectured to the hospital's medical staff on the subject of human genetics. Dr. Reed is a noted authority in the field and is the director of the Dight Institute of Human Genetics, which is a part of the University of Minnesota.

Dr. Hartley, a research scientist who was associated for many years with the U. S. Department of Agriculture and is the author of numerous scientific papers, will be in charge of the new project at Warren when final plans are completed.

Also at White House, Pat Norman and his Combo will be playing for your dancing pleasure. Food is served all hours, especially the famous calypso sandwiches and T-bone steaks are a specialty.

## With the Candidates

### LAWRENCE

**PITTSBURGH (AP)—**Mayor David Lawrence of Pittsburgh, Democratic candidate for governor, maintains the sales tax is now part of Pennsylvania's fiscal structure.

Lawrence told a reporter Wednesday he will retain the tax if elected. He said he hopes to avoid any new taxes. Lawrence opened his campaign Tuesday night in an address to an Allegheny County Democratic payrollers' picnic.

Former Gov. John S. Fine originally enacted the sales tax which was carried on through the Leader administration.

### REPUBLICAN

**HARRISBURG (AP)—**Pennsylvanians interested in helping to form the Republican platform for the Nov. 4 general election campaign may submit their views to the platform committee by Aug. 6.

The committee will meet the following day to fix dates for public hearings on the proposed platform planks at Philadelphia, Pittsburgh and Harrisburg.

The proposed platform will be placed before the Republican state committee at Pittsburgh Sept. 6. Rep. Albert M. Johnson, Republican floor leader and committee chairman, asked for the views of interested organizations and individuals after an organizational meeting of the committee here Wednesday.

This was the first time the GOP listed plans for public hearings on its platform. Democrats already have done so. Miss Sara G. Leffler, Lebanon, was selected committee secretary at Wednesday's meeting and Miss Gloria Sabatini, Philadelphia, was chosen assistant secretary.

## RADIO and TV

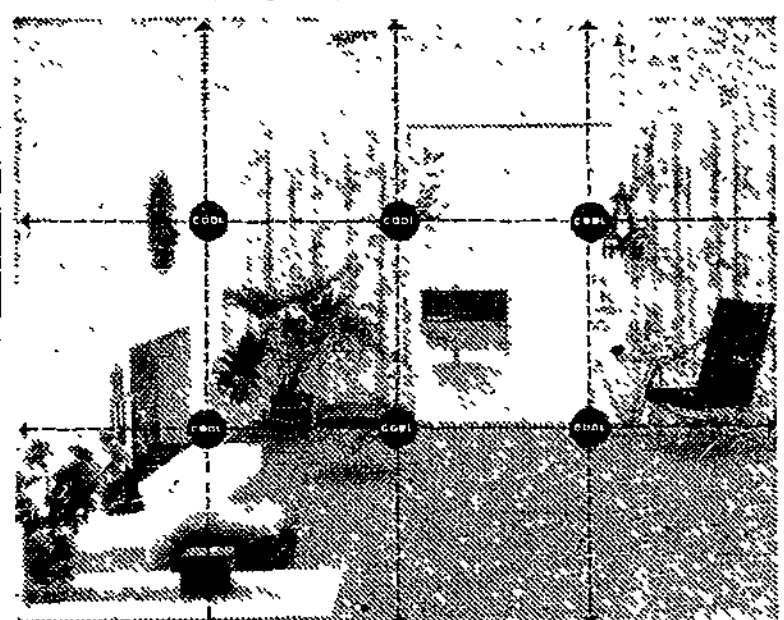

By GABRIEL DAVIDSON

**HOLLYWOOD (AP)—**Tennessee Ernie Ford was asked if he planned any changes in his television shows this fall. He didn't say yes or no or maybe. He said, "No use digging bait when you got a boatload of fish."

That's a Fordism. Ernie's no simple yes or no man. When the occasion calls for it he comes out with a country-style metaphor to fit. And usually it fits very nicely. Asked for a few typical Ford phrases he came up with a hefty list, some of Tennessee origin and others coined by Ernie. Here they are, mostly self-explanatory.

"I'm tired as a two-pound hen that's laid a three-pound egg."  
"Thicker than fleas on a wet dog."  
"Colder than a beaver's belly."  
"I handed you a bucket, you may as well milk it."  
"Nervous as a long-tailed cat in a roomful of rocking chairs."  
"I feel like I been rode hard and put away wet."  
"She's built like a sackful of doorknobs."

# A.P. Correspondent Tells Of Visit With Rebel Chief

Editor's Note—Wilton Wynn of The Associated Press has been a reporter in the Middle East for seven years. This week he was invited to be an overnight guest of rebel leader Saeb Salam in Beirut. He returned with this picture of life in the rebel quarter of the Lebanese capital.

By WILTON WYNN  
BEIRUT (AP)—"Put up your hands."

It was so dark in the street that I could not see the rebel guard. But I heard the click of his gun. I put my hands up.

"One of you walk forward."

My comrade moved ahead, his hands still in the air.

"Say the password."

"About halous."

That was enough. We moved up to the sandbag barricade manned by five Lebanese rebels.

This barricade lies across the street leading into the rebel-controlled Basta quarter of Beirut. For 76 days, the rebels have been in complete control of the sector in the heart of the Lebanese capital. Nobody has gone in or out without rebel consent.

I spent a night with rebels in Basta as guest of their leader, former Premier Saeb Salam. He is a dynamic, stocky man who has not left his house since Lebanon's crisis broke. And he does not intend to leave it till his arch enemy, President Camille Chamoun, resigns.

From the shell-scarred roof of Salam's house it is easy at night to see the limits of the area he controls. At night Basta is completely dark. A ring of lights three blocks away marks the border of government-controlled Beirut.

Within this dark rebel city, life has been at a standstill for 76 days. Almost all shops are closed by a rebel-ordered general strike, except bakeries and pharmacies. Barricades and trenches across the streets stop all traffic. At 8 o'clock every night, the rebels impose a curfew. Any man who goes out without the password is sure to get shot.

Just before midnight, a rebel staff sergeant took me on a round of the barricades. The password, about halous, in English means roughly "Father of the Bald Head."

One squad of guards lounged on a strategic roof, and the talk soon turned to the American forces in Lebanon. Someone mentioned that 16 American planes had been shot by small arms fire from rebels near Tripoli, in north Lebanon.

"Saeb Salam has ordered us not to shoot at those planes," one of the guards said. "Otherwise the Marines would soon learn that Basta boys can shoot too."

These men have cleared pro-government snipers out of their own area and have consolidated their positions. They have strict orders from Salam not to shoot unless absolutely necessary, both to save ammunition and to avoid provoking incidents. The area is much quieter now than during the riotous early days of the rebellion, when pitched battles were daily occurrences.

Just before the curfew, we heard an explosion a few hundred yards from Salam's house. Another sounded after midnight, and in the early morning came the sharp rattle of machine-gun fire. But compared with the early days of the revolt, it was a quiet night.

**EMERGENCY CASES**  
Five persons received emergency treatment at Warren General Hospital Wednesday. Nellie Karkowski, Pittsfield RD 1, injury to left hand; Michael Pastrick, Warren RD 2, laceration of left thumb; Ronald Gleason, 56 Buena Vista, laceration of scalp; Kirk Frost, 123 Grant street, laceration of left leg; Susan Mesler, Youngsville RD 1, abrasions of left leg.

**ASPHYXIATION VICTIM**  
Mrs. Maxine Sunderlin, 59, native of Bradford, was found unconscious and slumped on the stairs in her home by her husband Tuesday. McKean County Coroner Robert W. Iver issued a certificate of death due to asphyxiation from burnt gas of an unvented heater. Mrs. Sunderlin died en route to the hospital as ambulance crew fought to save her life. Her small Scottie dog was found nearby unconscious. He regained consciousness after being carried outside.

**NO KANE ACTION**  
State inquiry is underway in Kane into the failure of the voter-mandated fluoridation of Kane's water supply to materialize. Kane voters approved addition of the fluorine to the water supply in 1956 but thus far no action has been taken. Dr. Ernest W. Lyons, regional dental director for state Department of Health Dental Division, urged fast action to get the program underway. He pointed out that Ridgway has used fluoridated water for five years and that incidence of cavities per child has dropped to a low.

**PROSPERITY ITEM**  
PITTSBURGH (AP)—Crucible Steel Co. reports a slight increase in net income for the second quarter of 1958 despite a sales decrease.

The company said Wednesday the second quarter net income was \$226,932 or six cents a share compared to \$172,395 or five cents a share in the first quarter of this year. However, first quarter sales outranked second quarter sales \$44,600,000 to \$41,300,000.

# Contest Lovelies Describe Some Beauty Secrets

LONG BEACH, Calif. (AP)—Lend an ear, ladies, while the Miss Universe contest lovelies tell beauty secrets of their native lands.

Miss Japan, Tomoko Moritake: "Our women use a certain flour made of rice polishings. They put this in a little bag and wash the face with it."

Miss West Indies, Angela Tong: "The women put olive oil all over their bodies just before going to bed. But I don't do this."

Miss Mexico, Elvira Leticia Riser: "We have no secrets, but we like to eat fruits and vegetables and avoid fatty foods. We feel what you eat is very important for beauty."

Miss Poland, Alicja Bobrowska, the first entrant from an Iron Curtain country: "Polish women do not want to be beautiful because they are hard working people. The men and women work together. Wash yourself with soap and water. That gives the beauty."

Miss Paraguay, Graciela Scorza, whose English is slightly fractured: "I don't use nothin'."

# LUDLOW

LUDLOW—Friends will be sorry to learn the former Betty Lou Anderson, now the wife of Dr. Lynn Stoker of Hanover, N. H., recently broke her ankle and will be in a cast for some time. Mother of three little girls, she lives at 33 Sachem Village, Hanover.

Mrs. Robert Rogers, attending a summer session at Penn State, spent the weekend here at the Ernest Swanson home.

Mrs. Victor Bergeson, Cleveland, has returned home after spending two weeks with her aged mother, Mrs. Otto Carlson.

Sunday callers at the Herman Hanson home included Mr. and Mrs. Arnold Youngberg, Lakeview, N. Y. Weekend guests were Mr. and Mrs. W. E. Kunkle, Olean. Carol Kunkle, Olean, spent several days last week with her grandparents.

Mr. and Mrs. Hendrickson, Youngsville, were Sunday callers at the home of Mrs. A. L. Larson.

Mr. and Mrs. R. L. Thomas, Tidjoute, were Sunday guests of Mrs. Emili Nelson.

Nancy Carlson, daughter of Mr. and Mrs. Stanley Carlson, is a counselor at Camp Dundee, Purue, Mass. Also a counselor is Doris Johnson, daughter of Mr. and Mrs. E. W. Johnson, now at Camp Nevatah on Lake Chautauqua.

Mrs. Enoch Nelson, who broke her right ankle a few weeks ago in Cleveland, is now at home in a walking cast.

Mr. and Mrs. Kent Swanson and family, both formerly of Ludlow, are spending the summer at Penn State, where the former is earning further credits for a master's degree in art. He is employed as supervising teacher of art in Kane Area Jointure Schools.

# BARNES

Barnes WSCS members entertained Sheffield WSCS at the Methodist church, with an interesting program presented by the guests. Retta Pinney gave two readings, "Ambassador of Goodwill" and "The Purpose of the Women's Society of Christian Service"; Mary Lewis sang a solo. Refreshments were served during the social hour which followed.

**GERONIMO'S PRISONS**  
After his surrender to Gen. Nelson Miles, the Indian chief Geronimo was sent to Fort Pickens and later to Fort Sill, Okla., where he was held until his death.

# South Carolina Publisher Writes of Visit to Baghdad

Editor's Note: Talbot Patrick, editor-publisher of the Rock Hill (S.C.) Evening Herald, arrived in Baghdad two days before the July 15 revolution overthrew the monarchy. Here is his report on the politics of the new revolutionary government, written for The Associated Press.

By TALBOT PATRICK  
Written for The AP

BAGHDAD (AP)—Iraq's new revolutionary government, by actions even more convincingly than by words, has shown that it is not pro-Communist.

The first day of the revolt, Iraqi newspapermen told me repeatedly later, Communist leaders proposed to the army officers leading the rebellion that a National Guard or militia be formed to help in possible defense of the new government. The proposal, I was told, was turned down flat.

During the first two days of the revolution, Communists and anti-Western slogans were red-painted on many walls and houses. Signs were put on the front of British-owned stores and firms:

"Don't buy from foreigners."

By the third day, the army officers who led the revolution were bringing into the government, as Cabinet ministers and

in other important positions, mature men of known ability and recognized position. Most of them had records of opposition to the former regime.

Then the army issued an order that anybody caught painting up Communist slogans would be court-martialed. Under army directions, the red paint of the Communist slogans was blanked out with green paint.

Censors in newspaper offices blanked out from the reports and editorials they read all pet words and phrases of the Communist line, according to Iraqi newspaper acquaintances.

Although there now is the censorship of newspapers, local newspapermen look forward to a time when the new government feels more safely established. They hope then for more freedom than under the royal regime.

Iraqis who were interested and sympathetic observers of the new revolutionary government said the new regime definitely does not intend that Iraq become a part of the United Arab Republic of Egypt and Syria.

There is a strong conviction that eventually there will be a single Arab nation, but not one dominated by Egypt as the U. A. R. is.

# Curtiss-Wright Reports Big Atomic Contract

WOOD-RIDGE, N. J. (AP)—Curtiss-Wright Corp. reports it has received a \$1,605,000 contract from the Atomic Energy Commission to build a nuclear facility for atomic food irradiation by gamma rays.

Roy T. Hurley, Curtiss-Wright chairman and president said

Wednesday it was the first contract of its kind awarded by the AEC to a commercial company.

The facility will be installed at Lathrop, Calif., for the U. S. Army Quartermaster Corps. It is expected to be completed in mid-1960.

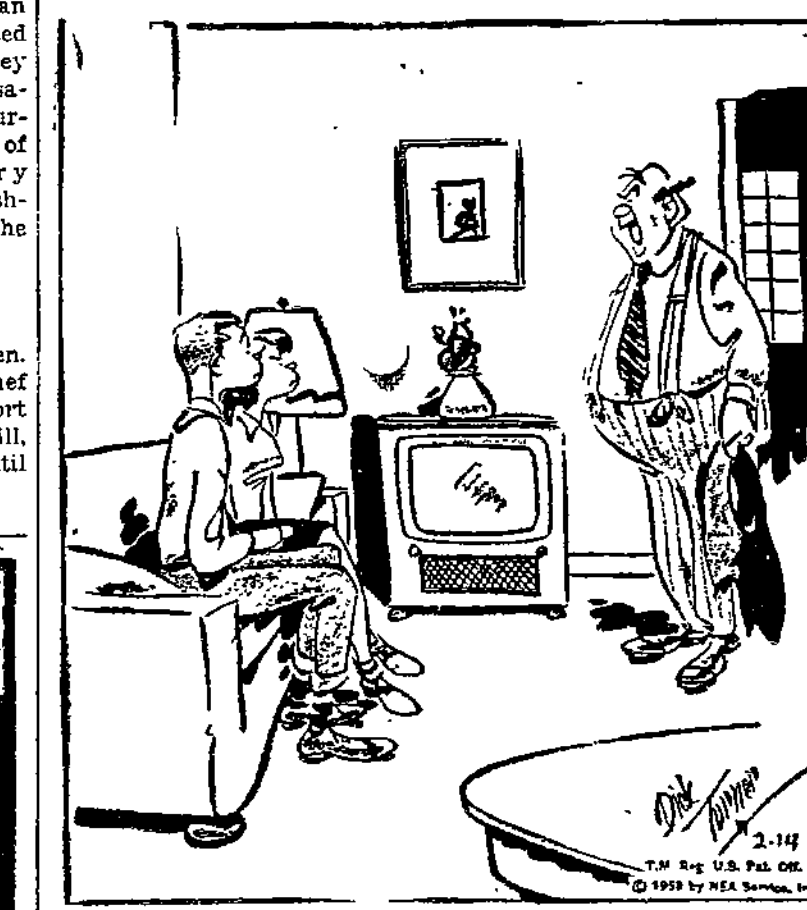

The announcement said it will be a versatile food processing plant capable of preserving a variety of foods by killing or inactivating micro-organisms that cause food spoilage.

# If We Could Only Hear Ourselves

BY ALICIA HART  
NEA Beauty Editor

The girl who's a beauty until she opens her mouth destroys, very painfully, the illusion of beauty.

And there are many such women. You encounter them every day. They have taste in choosing clothes, are careful about applying make-up, possess trim figures.

Then comes the voice, shrill and clattering to the nerves of the listener. For some reason, the things that such a voice says are usually not worth hearing. But in any case, what could have been something very lovely is completely gone.

A low and well-modulated voice has often been able to create the illusion of charm in a woman who was not really beautiful. It works both ways.

Reader mail shows that a column I did recently on a different method of giving a salon permanent presented an entirely new idea to women. In the column, I said that if you want a soft, naturally curly-looking permanent, you should ask your operator to give the permanent over hair which has not been shampooed. And the cutting should be done after the permanent, not before. This is a method used successfully by one of New York's top hairdressers.

The reason for shampooing after, not before, is that shampooing strips the hair of its natural oils. It's best to leave the oil in since a permanent tends to dry out hair. Your operator will, of course, ask you if you have a great deal of hair spray on your hair. He will also brush your hair to distribute the oils evenly.

Cutting after the permanent does a much better job of eliminating any possible look of frizz in the ends. It gives the hair a really naturally curly look with ends that are easily managed.

Looking cool in the heat of summer when you've got a job to get on with is no cinch, despite the claims that it's really a breeze. About the best way to go at it is to keep everything neat and simple.

Stick to dresses with simple lines, clean white cotton gloves, neat handbag and immaculate shoes. Get rid of all the clutter: the clashing bracelets, the dangling jewelry, the fussy trim.

Substitute neat ear buttons, a single bracelet and perhaps a pin. And wear hose; you can't possibly look neat without it.

The United States ranks first among world nations which grant scholarships to students from abroad, offering about 20,000. France is second with 13,000 scholarships available to foreign students.

# SANFORD

SANFORD—Prayer meeting will be held at the parsonage this evening.

Several from here and Grand Valley spent Sunday at Camp Findley, enjoying the services and picnic dinners. Mrs. Elsie Ellis, Mrs. Fred Chambers, Mrs. Belle Anderson and Mrs. Ella Gates attended Missionary Day at camp, the last two remaining for the evening service.

Mrs. Charlotte Holcomb is spending several days at Fredonia, N. Y., with her sister-in-law, Mrs. Elma Suggett.

Mr. and Mrs. Arthur Garber visited Mrs. Robert Garber at Portville, N. Y., Sunday. Capt. Garber is at Fort Sill, Okla., as an instructor.

Mr. and Mrs. Raymond Gates attended the Anderson reunion at the Chautauqua Lake cottage of her brother, Lawrence Anderson.

Callers at the home of Mr. and Mrs. Clyde Allen have included Mr. and Mrs. Emmitt Sparks and daughters, Cora Sparks and Mrs. William Flick, Pleasantville. Linda Perkins accompanied the Sparks family home and was an overnight guest.

Sunday evening callers of Mr. and Mrs. Howard Garber were Mr. and Mrs. Richard Sheeley, Enterprise; Mr. and Mrs. Louis Dunham and four sons, Warren Fred Dunham remained for a longer visit.

Roger and Rodney Danielson spent several days last week with Mr. and Mrs. Robert Davis at Spartansburg.

Paul Perkins and children, Linda and Robbie, visited his sister, Mrs. John Nash, at North East Sunday and enjoyed a family picnic supper.

Connie Garber spent several days last week with Carol Morris.

Mr. and Mrs. A. L. Brown were Sunday dinner guests of their daughter, Mrs. Charles Swanson, and family at Russell. In the afternoon, Mrs. Swanson accompanied them to Jamestown to be supper guests of Mr. and Mrs. Perry Swanson. They also called on Mrs. Ed Clark, an old school chum of the Browns.

# BARNES

BARNES—Mr. and Mrs. Byron Miller and son, Theodore, Mrs. Gordon Eck and Mrs. Warren Miller were in Wheeling, Va., for several days to visit Chester and Warren Miller and Gordon Eck, all employed in that city. They also enjoyed the WVEA Jambores on Saturday evening. En route home, they visited Mr. and Mrs. Roy Swope, former local residents now living in Confluence, Pa.

The Rev. E. W. Chitester is guest pastor for Sunday morning services in the Methodist church here during the absence of the Rev. Jack Parsons, who, with his wife and family, is vacationing until July 31.

Mrs. Bert R. Hoyer and children have been visitors at the home of Mr. and Mrs. W. T. Hoyer, taking home with them Michael Hart, who spent a week here with the Hoyers. A Saturday caller at the Hoyer home was Hugh Green, Alexandria, Va.

Linda Engard is visiting this week with Mr. and Mrs. Ed Trax in Pittsburgh.

Recent visitors of Mrs. W. H. Brandt have been Mr. and Mrs. Warren Hauptin and family and Mrs. Oyley, New Kensington.

Mr. and Mrs. Richard Curtin and daughters, Nancy and Linda, are enjoying a vacation this week and are visiting the Robert Curtin family in Binghamton, N. Y.

Mr. and Mrs. Neil Simmons and children, Pittsburgh, are spending a week at the home of Mr. and Mrs. J. B. Lyle. Last week another daughter, Mrs. Charles Francis, and her family from Akron, O., visited the Lyles. Other guests have been Mr. and Mrs. Richard Smith and children, Linda and Ricky, of Pittsburgh. Mr. and Mrs. Lyle were in Hazen, Pa., Tuesday to attend the funeral of a cousin, Clyde Mayes.

## Ludlow Scouts Do Well at Olmsted

LUDLOW — Camp Olmsted drew six boys from Ludlow for the annual camping session, all had opportunity of earning their camp fees by working on the Olmsted Estate in early summer, a plan the family has continued for years to encourage Scouts to attend camp.

This year, John Cox worked with a special group of young men, part of a unit leaving August 4 for Philmont Scout Ranch in New Mexico. He completed camping merit badges and worked on life saving, but could not complete it because of bad weather. He returned to camp this week to serve as a staff member and continue his life saving work.

Boys of Troop 50 elected John to the Order of the Arrow and his father, Walter Cox, with Adolph Johnson and Assistant Scoutmaster David Sheffer present when he was "tapped" at the evening campfire.

Ludlow's Troop 50 placed fourth in the Olympics held at camp Friday, a fine showing for the six boys at camp.

Individual records show that Wayne Olson completed camping, wildlife, management, and basketry badges, Robert Carlson and Gary Olson completed basketry and worked on First Class; Edward Okruch worked on First Class; David Shaffer worked on Second Class.

Scoutmaster Alfred Johnson and assistants, Sam Manfrey and David Shaffer, attended camp activities Wednesday evening. These included skits by each troop in camp, a song fest, cheering contest, all performed around the campfire.

### Wrightsville

WRIGHTSVILLE — Friends and relatives are glad to hear that Kenneth "Butch" Stovell is home from Warren General Hospital, where he was a patient for 11 weeks for treatment of fractures of both legs.

Mrs. Jessie Davis is a patient in Warren General Hospital.

Mrs. Hattie Durham, Pleasantville, has been spending several days with her mother, Connie Higgins.

Mr. and Mrs. Philip Santoro, Jamestown, were Sunday visitors of her parents, Mr. and Mrs. Marc Boardman.

Wanda Lee, Frewsburg, is spending a week here with her grandparents, Mr. and Mrs. James Durlin.

## County Projects Share In State Road Work

Two Warren County road projects being undertaken by the state this summer account for \$320,678 of the \$28,000,000 total for Commonwealth road construction in District 1.

Widening Route 957 for more than four miles between Russell and Lander is costing \$284,241. Surfacing nearly four miles of U. S. Route 62 in Watson and Pleasant Township below Irvine Bridge will amount to \$72,437.

Traffic Route 36 northwest of Tionesta in Forest County will be widened and modernized at a cost of \$317,826.

Award of contracts for eight sections of Erie Throughway dominated construction activity. The eight contracts totaled \$24,126,353 for construction of 29.5 miles of four-lane fully controlled access highway which will be a portion of Federal Interstate system.

Average cost a mile for the 29.5 miles was in excess of \$817,000, exclusive of acquisition of right-of-way. Federal government is paying 90 percent of the cost of the 41,000-mile Interstate system.

### YOUNGSVILLE

YOUNGSVILLE — The Andrews Class of EUB church enjoyed a wienner roast at Wilder Field Saturday night. President Robert Clark presented devotions and conducted a brief business session. On the committee were Mr. and Mrs. Robert Clark, Mr. and Mrs. Robert Armstrong.

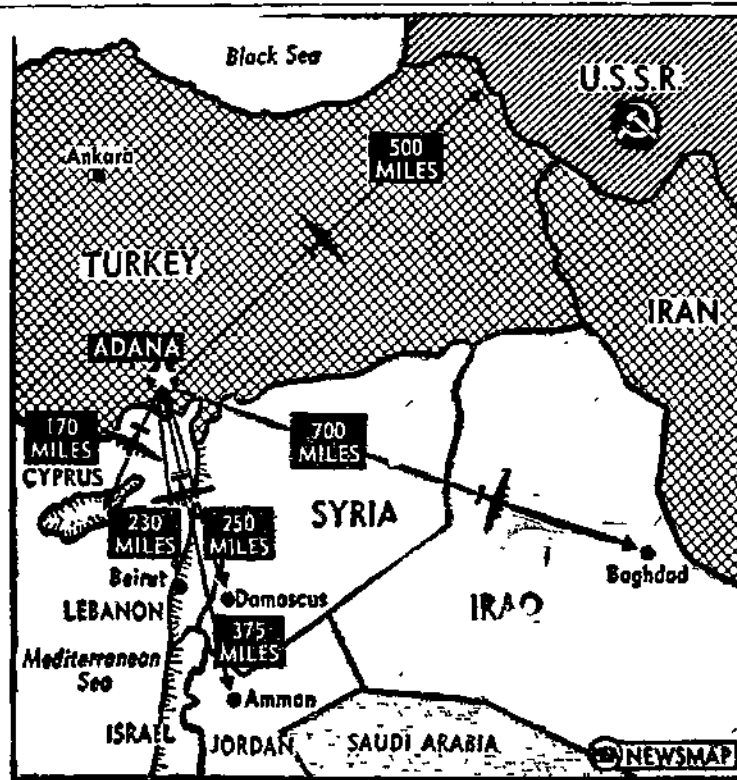

Twenty-five BPW members and guests enjoyed the performance of the opera "Suzannah" at Chautauqua Monday night.

D. W. Mourer and daughter, Mrs. Charles Samuelson, are home after a trip to the state of Washington.

Mrs. Florence Cordner has returned from a visit with relatives in Warren, O.

Plumer Mourer and his mother, Mrs. Lena Mourer, are home from Scotts Bluff, Neb., where they were guests of their daughter and granddaughter, Mrs. John Swedberg, and family. The Swedbergs have a daughter, Sandra Lu, born June 3. With her daughter since May Mrs. Plumer Mourer accompanied the family home.

Shrine Head Coming August 2

George E. Stringfellow, Imperial Potentate of the Mystic Shrine of North America, has selected Zem Zem Temple for his first official visitation and will attend the Zem Zem Ceremonial which will be held in Warren Saturday, August 2nd.

Thousands of Shriners are expected in town for the ceremonial which was last held in Warren in 1946. A crowd of additional thousands lined the streets for the colorful fun-lovers' parade that year.

Potentate Stringfellow, vice president of Thomas A. Edison

Industries and McGraw Edison Co. of West Orange, N. J., won this year's New Jersey Academy of Medicine annual Citizens Award for "extraordinary" individual service for health and welfare to the general public.

In addition to serving as Potentate, Stringfellow is also a trustee member of the Imperial Divan in connection with the 17 Shiner hospitals for crippled children which provide cost-free treatment and rehabilitation throughout the United States, Canada, Hawaii and Mexico for underprivileged youngsters regardless of race or creed.

## CD and Industries Are To Discuss Plant Evacuation

Industrial leaders of Warren will meet Monday with Civil Defense officials to outline precautions in the event of a real warning signal here. Since no plan exists here to evacuate plants and business places in a national emergency, the meeting is termed of top importance.

W. C. Fuelhart, director of Warren County Civil Defense, will preside at the session, a luncheon meeting at the Penn-Laurel restaurant. The heads of industries with more than 50 workers, as well as representatives of the merchants and the banking institutions, have been invited to exchange views.

Fuelhart said an actual warning from Denver, Colo., might give as much as two to three hours notice of enemy planes approaching. County Civil Defense stresses the danger of radioactive fallout from the high winds drifting over Warren after an attack on Detroit, Flint, Mich., or Erie.

"If our industries plan to dismiss their employees on a yellow warning, it is vital to plan for the flow of traffic," Fuelhart said.

He praised the orderly evacuation of school children in last May's practice alert and called it the result of a discussion meeting with school principals and Civil Defense.

The men who expect to attend the meeting are Merle Kremer, Sylvania; Harry A. Logan, Jr., United Refining; Harry W. Conarro, Struthers-Wells; Robert Y. Kopf, Hammond Iron; Stuart J. Myers, Solar Electric and allied industries; John H. Kirk, National Forge and Ordnance; Ernest Hagenlocher, Thomas Coupling; Nels Anderson, Anderson Baking; David Cropp, Warren Plastics; Clifford R. Betts, Betts Machine;

Howard R. Lauffenburger, Pennsylvania Furnace and Iron; John W. Newmaker, Phenix Furniture; Alvin C. Amos, Jr., DeLuxe Metal Furniture; Kermit E. Forsgren, Crescent Furniture; Gordon H. Kay, Youngs-

ville Star Manufacturing; and F. L. August, Irwin Manufacturing.

Officials at G. G. Greens Manufacturing and at Loranger Plastics are expected to confirm their reservations shortly. The New Process Company and Paramount Furniture declined to be represented at the meeting, but asked for information on the outcome.

A. L. Rasmussen will represent the Warren National Bank at the meeting, and Merle H. Dearborn, Warren Bank and Trust. The Chamber of Commerce Retailers Division will be represented by Richard M. Ross, chairman, who expects to report back to the retailers at their meeting August 4.

## WEEKLY FOOD REVIEW

By THE ASSOCIATED PRESS  
Frying chickens, an old bargain favorite, and canned hams, a comparative newcomer, will be featured in many of the nation's supermarkets and neighborhood grocery stores this weekend.  
Prices for fryers are down two to six cents a pound in some areas and indications are they'll stay depressed for awhile. Summer supplies are expected to be about a fifth greater than last year.  
Canned hams are featured more for their convenience than for economy. They can be served either hot or cold, slice easily for

tomatoes right behind. Tomatoes are one of the vegetables affected by rain, so the wise shopper will look them over carefully.  
Celery, radishes and onions also are outstanding buys, while good bargains are obtainable in cauliflower, sweet corn, peppers, carrots and spinach.  
Peaches are the star attraction at fruit counters. Watermelons also are unusually plentiful. Competition from the two is driving prices of other fruits down. These include blueberries, navel oranges and lemons, cantaloups and honey dew melons.  
China's Manchu dynasty was overthrown by the forces of Dr. Sun Yat-sen in 1911.

## Boyle's Comment

By HAL BOYLE  
NEW YORK (AP)—It's a wise woman who avoids positive declarations and an all-or-nothing attitude.  
The other day I overheard my young daughter, in a fit of pique, tell a small neighbor, "All right then, I won't be your friend—and I'll never play with you again."  
Well, I had to laugh. It always makes me chuckle when I see a member of the feminine sex get up so high on a horse she doesn't know how to get down.  
It reminds me of the sad fate of Mrs. Barnes.

The story begins about 40 years ago. Mrs. Barnes and her husband had eight children.  
Barnes was a cheerful soul, just this side of shiftlessness. His wife, who came from what she claimed was a better family, was proud and ambitious. She was always after her husband to get a better job and make more money so they could live in a finer neighborhood.  
Morning and night she scolded him.  
One night Barnes, who had stopped for a couple of beers on the way home, suddenly interrupted her in the middle of a long complaint:  
"You got a mouth like a buzz saw. Don't you ever give it a rest?"  
Startled, Mrs. Barnes stared at him. Her lips formed in a thin line.  
"Unless you apologize for that unkind remark, Mr. Barnes," she said sternly, "I'll never speak to you the rest of my life."  
"Well, I ain't about to apologize, Mrs. Barnes," he replied.  
Mrs. Barnes was a strong-minded woman, and her word was her bond. Day after day went by—and she spoke to her husband not at all. And he didn't speak to her.  
At the start of this strange duel of silence Barnes felt uneasy and repentant. Several times he was on the verge of apologizing. Then one night it dawned on him how much more peaceful and restful his life had become. All at once he realized what a good thing he had—and from then on he was determined never to lose it.  
He became more and more independent.  
When mealtime came, Mrs.

Barnes would say to one of the children, "Joe, tell your paw supper's on the table, and gettin' cold."  
After Joe had relayed the message to Barnes, who was only 15 feet away, he would answer, "Thank you, Joe. Tell your ma I'll come to the table when I'm durned good and ready—which will be in about five minutes."  
And Mrs. Barnes, hearing, would stab a needle viciously into her sewing. But pride held her helpless.  
After 10 years Barnes caught pneumonia one winter's day. On his deathbed, surrounded by his 11 weeping offspring with his wife hovering in the background, Barnes reared up and said loud and clear:  
"These are your pa's last words, young'uns. Tell your ma the last 10 years have been the happiest of my life, and I sure am grateful to her."  
Then he fell back on the bed and died, smiling.  
Mrs. Barnes had the undertaker lay him out in the house. According to neighborhood gossip, she talked to him for three days and nights without stopping. But Barnes never heard a word and still had the smile on his face when they buried him.  
Moral: It's terribly unsatisfying to try to punish someone and then find out you've actually done him a favor.

About 125 persons, including 75 visitors, attended the dedication of the Emil Lampe troop camping lodge at Camp Olmsted Tuesday night.

In presiding at the ceremonies, Clifford R. Betts, president of the Scout Council, indicated that Mr. Lampe had insisted that the cabin be first class in all respects, and had raised the sights of local Scout officials connected with the planning of the cabin.

Because of the rain, the ceremonies were held in the camp dining hall, the first structure erected at Camp Olmsted in 1927. Visitors were driven to the new cabin in the jeeps of Dick Betts and Leo Rapp, and reported themselves as impressed by the excellence of the cabin.

Eagle Scout Tom McCune of Warren delivered the invocation and the benediction in Indian costume.

Bill Yeager, Commissioner of the original council in 1916, when Mr. Lampe was president, made the dedicatory address. Text of the address follows:

In giving a dedicatory address it is customary to tell of the ideals and purposes of the organization for which the building will be used. Since every one present is fully aware of the character building and citizenship training program of scouting, in its stead I shall sketch the early history of scouting in Warren and the development of the program which made possible the property upon which Lampe Lodge has been erected.

Scouting came early to Warren. Sensing the great possibilities contained—even at that early date—in the Scouting program, W. Leroy McGowan, a teacher in Warren High School, in September, 1912, organized the first troop of Boy Scouts in Warren County and served as its Scoutmaster.

The troop had two patrols composed (as nearly as it has been possible to ascertain) of the following Scouts:

Bald Eagle Patrol—Byron Knapp, Hugh Robertson, Ted Denning, Bob Campbell, Oats Williams, Bill Burkhardt, Porter Marker, Art Ostergard, Bob Horton, Kay Davis, Carl Peterson.

Hawk Patrol—Hank Walker, Ben Heath, Scotschy Hessel, Marshal Mathus, Cooky Haas, Tex Taylor, Gordon Leply, Dan (Beans) Campbell, Fred Lucia, Bob Adams, Leland Webster.

Information furnished by some of the above (doubtless quite incomplete) indicates that the following attained the rank shown below:

Eagle Scout—Henry O. Walker, Bill Burkhardt, Oats Williams.

Life—Byron Knapp, First Class and Life Saver—Art Ostergard, Porter Marker. A camp was conducted at Templeton Island (Shipman's Eddy) in 1913, at Wardwell in 1914; and also in 1914, the Bald Eagle Patrol took a canoe trip to Oil City.

Due to the ill health of Mr. McGowan, he found it impossible to continue as Scout Master and the troop was not re-registered in 1915.

Early in 1916 Clare J. Crary, having been impressed with the results attained in those communities where Scouting existed, and in order that the boys of Warren—including his sons—might be accorded the privilege of participating in the program, became interested in the organization of a Scout Council in Warren. He discussed the matter with William E. Yeager, Boy's Work Secretary at the YMCA, and Emil H. Lampe, Chairman of the Boy's Work Committee. Following visits by members of this group to cities where Scouting was functioning, the necessary procedures were ascertained and in May, 1916, with the approval and help of A. F. Kottcamp, the General Secretary at the YMCA, the Warren County Council, Boy Scouts of America was organized as a Second Class Council.

Emil H. Lampe was chosen as President. Paul H. Coe, Secretary; Clair J. Crary, Member of the Court of Honor, and William E. Yeager, Scout Commissioner.

The newly organized council was composed of the following Scouters:

Name—William E. Yeager, Scout Commissioner, W. Leroy McGowan, Court of Honor; W. Wales, Jr., Court of Honor; G. P. Bockway, Court of Honor; D. W. M. Robertson, Court of Honor; C. J. Crary, Court of Honor; E. H. Lampe, President; A. A. Frantz, Vice President; J. Roy Thompson, Vice President; Paul H. Coe, Secretary; H. D. Hanna, Treasurer; Rev. Walter C. Beck, J. H. West, Howard O. Baumgartel, O. A. Pressel, W. V. Geer, Sidney D. Blackman, H. N. Reist, R. H. Berry, Charles M. Noyes, H. S. Keck, H. V. Hazeltine, W. F. Bennett, Dr. J. T. Danforth.

Of this number fourteen have died, seven have moved away, and at present only Scouters

chased the lumber for the crafts, leaders, and first aid cabins. The members of the various clubs built them under the supervision of C. L. Gamble. Another cabin was added by the contribution of money and labor by Carl Rogers and W. A. Shawkey and several of their friends.

One of the outstanding contributions to Warren County Scouting was made by Carl W. Rogers, who carried on the work of the Executive during the year that Frank Roud was ill. From September, 1932, when Mr. Roud died, to September, 1933, when Tom Eving became Executive, Carl gave his full time to the operation of the affairs of the Warren County Council in a manner which gave very satisfactory results. In spite of the insistence of the members of the Executive Board he refused to accept any remuneration for his time and effort.

From the years when he served as President of this Council and as Chairman of the Boy's Work Committee of the YMCA to the day of his death, Mr. Lampe never lost his interest nor his faith in youth. After he resigned at the bank his work took his out of Warren to such an extent that it was impossible for him to give of his time to Scouting, but his interest in terms of financial support continued through the years, culminating in the gift of this fine Scout Troop Lodge which we are here to dedicate today.

What we do for ourselves dies with us. What we do for others lives on and is eternal. Emil Lampe in giving us this Scout Troop Lodge has made a valuable contribution to the lives of those boys who are now Scouts and those who may become Scouts in the future. Through the use of its facilities the opportunity of our leaders in the development of the character and the preparation for citizenship of our boys will be greatly enhanced, and Emil Lampe in this manner has made a great contribution in the promoting and the safeguarding of our American way of life. Emil Lampe has gone but the good which has come out of his service to youth will live on through the years. Truly it may be said his having lived has made living for others easier.

#### Mist Maid Festival Set for Sept. 14-21

NIAGARA FALLS, N. Y.—Representatives of 30 American Indian Nations have been invited to this city September 14 to 21 to honor Miss Dolores House above, of the Tuscaroras, the 1958 Maid of the Mist, it was announced today by William A. Doody, director, Niagara Falls Tourist Bureau.

The guests from Maine to California and from North Dakota to Texas will add to the colorful American Indian theme of the third annual Maid of the Mist Festival which is expected to attract more than 1,000,000 people to Niagara Falls during the week.

Miss House, who will reign over the 1958 festival, was selected from among nearly 100 girls in the Annual Maid of the

Mist contest last year. She is a Tuscarora Indian maiden of the Sand Turtle Clan. Her Indian name is O-Jeh-Jeh-Stor Wah-Yah-Geh, meaning White Flower.

A highlight of the Indian activities will be the traditional calico payment made each year since 1794 to every adult member of the Iroquois, "as long as the grass shall grow, the wind shall blow and the sun, moon and stars shall shine." The calico payment is part of an agreement in the Pickering Treaty negotiated by the Iroquois and the U. S. Government in 1794 for the preservation of peace. The amount of calico paid each year varies according to the prevailing price of the cloth at the time of payment. But this year, the Tuscarora Nation will receive approximately 1,100 square yards to divide among its 400 members.

Life in the 35-tepee Indian Village to be erected on Goat Island midway between the United States and Canada will closely resemble that of tribal Indians of centuries ago. Work chores will include the grinding of corn, sewing deer skins into native dress, and even such complicated enterprises as the making of birch bark canoes. Recreational activities will include Lacrosse games, Indian wrestling, Indian dances, archery and lance contests, and tomahawk throwing. Typical of Indian life in days gone by, an actual wedding ceremony will be performed on the island. In addition to the tepees, the Indian Village will include reproductions of Iroquois longhouses, used by the Indian confederacy.

#### FARM NEWS

By RICHARD L. GRAVES

HARRISBURG (AP) — Pennsylvania's school lunch program will be expanded about 10 per cent this year—a new boost for the state's farm economy as well as child welfare.

The U. S. Government has allocated the Commonwealth \$4,953,078 for the program this year. School districts will put up two dollars for every federal dollar.

Of the federal allocation \$3,931,789 goes to public schools and the remainder goes to private or parochial schools participating in the program.

Under the program in Pennsylvania a child will get a meal furnishing one third of his daily nutritive requirements at a cost to him of 25 cents. On the average the meal will be worth about 40 cents.

During the 1957-58 school year 63 million lunches were served to Pennsylvania school children, said Clyde A. Zehner, supervisor of the state school lunch and milk programs. He estimated that during the 1958-59 school year between 65 and 70 million lunches will be served.

The federal funds are used to reimburse schools in part for the food purchases they make locally. In Pennsylvania the local food purchases are expected to amount to well above 20 million dollars on the basis of the 6-cent federal reimbursement and the 25 cents

paid by the child. Administrative and kitchen costs also come out of those funds.

The school lunch program is administered in the state by Zehner under the Public Instruction Department through an agreement with the U. S. Agricultural Marketing Service.

In a state like Pennsylvania, the program provides a substantial boost to farm producers. In addition to the food program there is also the school milk program, which returns a sizeable amount of cash to the state's dairy industry.

Each of the school lunches served is accompanied by a half pint of milk—nearly 63 million half pints last year. In addition the school milk program provides 90 million more half pints.

## Letter Carriers Of Pennsylvania Meet in Easton

EASTON, Pa. (AP)—The State Highway Department is working hard to make Pennsylvania's secondary roads good enough for today's bigger and faster cars and trucks.

Lewis Stevens, state highways secretary, said a high percentage of the second ary roads are too narrow for modern vehicles. Inadequate sight distance, poorly banked turns, reverse curves and other deficiencies make much more of the secondary system obsolete, he said.

Speaking to the Pennsylvania letter carriers Assn., Wednesday, Stevens stressed that the conditions can not be blamed on the present Democratic administration. He said:

"The facts are the condition has been growing steadily over the decade as the automotive industry has outstripped the highway planners, in their rush to sell bigger and faster cars and trucks."

## THE MARKETS

NEW YORK (AP)—The stock market turned sluggish with mixed prices early today.

Gains and losses of fractions to around a point peppered the list of key stocks.

## Iraq Government Planning Union With Arab Republic

By RICHARD KASISCHKE

CAIRO, Egypt (AP)—A high official of Iraq's revolutionary regime said today his government is preparing negotiations for a union with President Nasser's United Arab Republic.

Iraqi Deputy Premier Abdel Salam Aref told a Cairo newspaper U.A.R.-Iraqi committees are being formed to discuss military, political, economic and educational matters with the aim of uniting similar institutions in all these fields.

Aref and Nasser signed a mutual defense treaty in Damascus July 19 but there were reports then that the Iraqi rebels had no intention of uniting with U.A.R.

Aref told the weekly newspaper Sabah Alkhair he is looking forward to the day when all Arab countries will join.

The newspaper Al Ahram pre-

dicted a surge to Nasser's Arab nationalism also would wrench non-Arab but Moslem Pakistan from the Baghdad Pact. Iraq was the only Arab member of the anti-Communist Pact, which also embraces Turkey, Iran and Britain.

In Bonn, Iraqi Ambassador Ali Haider Sulaiman added his voice to the chorus of professions of friends for the West coming from Iraq's revolutionary regime.

Sulaiman told reporters Iraq "cannot do without the West, especially Europe" in building up its economy.

"From the beginning, the new regime has made it clear it has the friendliest feelings toward the West," Sulaiman said. "The new government will protect the production and supply of oil and will honor its obligations entered into with the oil companies."

EX-GOVERNOR HURT

RADNOR, Pa. (AP)—Former Gov. George H. Earle suffered chest injuries and cuts of the nose Tuesday when his car skidded off a road near Springfield Dam. He was admitted to Bryn Mawr Hospital where his condition was reported as good. Mrs. Earle said her husband was traveling alone to Maryland to do some fishing when he noticed the highway, already wet from rain, recently had been oiled. She said he applied his brakes and the car skidded into a bank. Earle, a Democrat, was governor from 1935 to 1939.

Whitehill and family, Niles, O.; Mr. and Mrs. Oswald Gruber, Mr. and Mrs. John Gruber, Landers; George Markle, Mr. and Mrs. Herman L. Bloomfield, Little Cooley; Mr. and Mrs. Arvid Gruber, Akeley; Donald Gruber, Mr. and Mrs. Ray Gruber and family, Sugar Grove.

GEORGE L. MCENTER

George L. McEntee, 69 year old resident of 128 Van Buren street, Jamestown, and well known in Warren, died at 8:00 p. m. Wednesday in the Veterans' Administration Hospital in Buffalo.

Coming to Jamestown in 1926 from New Bethlehem, he worked as a welder prior to his retirement. He was a member of the Moose Lodge, Disabled American Veterans, East Erie Turners of Erie, Steamfitters and Plumbers Union, and St. Peter and Paul's church. Mr. McEntee was a member of Company E, Pennsylvania National Guard, served on the Mexican Border in 1916 and with the 28th Division in World War I.

Surviving are his wife, Nellie G. McEntee; a sister and a brother, several nieces and nephews. Funeral arrangements are incomplete.

Petersen, president.

CASE CONTINUED

Judge Alexander C. Flick, Jr. this morning continued until September the appeal in the case of Isobel Olson against Warren Borough. Mrs. Olson was awarded \$10,400 in a verdict returned by a jury May 23. The borough has since appealed the decision. Borough has ultimate responsibility for the slippery sidewalk upon which Mrs. Olson fell and was injured, but the Adelle Lesser Estate which owns the property on Prospect street has ultimate responsibility, according to legal counsel C. Henry Nicholson represents Mrs. Olson.

SHOOTING FATALITY

## Troop Movements Show U. S. Forces Ready

WASHINGTON (AP)—Secretary of Defense Neil H. McElroy told senators today that two recent movements of U.S. troops "show that our forces are ready and that they can move rapidly to those parts of the world where they are needed."

McElroy cited the landing of battle-ready U. S. forces in Lebanon during the Middle East crisis and the movement of Marines and paratroopers into the Caribbean area during demonstrations against Vice President Nixon in Latin America.

The Pentagon chief cited these instances to a watchdog Senate defense group headed by Majority Leader Lyndon B. Johnson (D-Tex.) as he appeared to answer questions about readiness or defense.

## Two Tots Victims of Locked Clothes Closet

DALLAS, Tex. (AP)—Two more children died Wednesday from being trapped in a stifling clothes closet, bringing the total deaths to four.

The children were trapped when the handle fell off the door of the closet in which they were playing. When the mother, Mrs. Cardie McDade, a Negro, returned home Tuesday she found the four children trapped in the closet. Debra Joyce Moore, 3, and Tommy Allen Carr, 4, children by former marriages, were dead.

Carolyn Moore, 2, and Cloyce Moore, 6, were unconscious. They died in a Dallas hospital.

is that Prime Minister Ben Gurion of Israel and representatives of the Arab states should be included in any summit conference on the Middle East.

"This conference offers the first opportunity we've had to do something constructive to work out a solution for the Arab-Israel dispute which is the seed bed for problems in the Middle East," Humphrey told reporters today.

Humphrey had just come from a briefing given a group of senators by William Macomber, assistant secretary of state.

"Ben Gurion of Israel should by all means be invited to the conference," Humphrey asserted. "If Israel and the Arab states are included we would have an opportunity of clarifying relationships."

"The relations between Israel and the Arab states are at the root of the problem, rather than the question of U. S.-Soviet relations about which we have talked so much."

Among conditions Khrushchev attached to a summit meeting were that Prime Minister Nehru of India leaders be invited.

Eisenhower and Secretary of State Dulles conferred by telephone early this morning on a reply to the Soviet Premier. The White House said they talked before a National Security council meeting.

Summit questions presumably were discussed at the council meeting. After it was over, Dulles stayed on for a private talk with the President.

Eisenhower and Dulles, White House press secretary James C. Hagerty reported, were concerned with working out a reply to Khrushchev.

Hagerty held open the possibility that the message might be dispatched to Moscow today but said that was not certain by any means.

The belief was strong in diplomatic quarters here, however, that the obstacles will be overcome and the conference opened within two or three weeks.

The principal difficulties still in the way of arranging the proposed meeting, as defined by officials here, are these:

1. Khrushchev's acceptance mentioned specifically the attendance also of Eisenhower, British Prime Minister Macmillan, French Premier de Gaulle and Prime Minister Nehru of India.

But Paris dispatches said it was unlikely that De Gaulle would attend. While favoring a summit meeting in principle, he has publicly announced his opposition to such a meeting at the U.N. at this time on the ground that it would be a propaganda battle royal. The question raised by his attitude is this: If De Gaulle flatly refuses, as French diplomats predict he will, will Khrushchev come anyway?

2. Khrushchev said that invitations to participate must go to Prime Minister Nehru and the governments of the Arab countries. But neither India nor most of the Arab states are members of the Security Council. They could participate as nonvoting guests if the Council invites them as interested parties, but even this would change the nature of the meeting that the Western powers envisioned—that is, an extraordinary session of Security Council members.

3. In his letter to Eisenhower Khrushchev renewed his charge that the Western powers have committed aggression in the Middle East. Eisenhower previously had rejected the accusation, and it seemed clear he is determined not to go into the conference in the role of a defendant.

## Jersey Residents Are Making Good Forgeries

HACKENSACK, N. J. (AP)—A new group of Bergen County residents is ready to make good \$150,000 in allegedly forged notes issued to companies of Pittsburgh financier Earl Belle and his associate Mitchell D. Ostwind.

Belle and Ostwind, now in Rio de Janeiro, Brazil, were charged Tuesday by the FBI with fraudulently converting \$62,500. Belle and Ostwind say they are innocent.

Attorneys for the Manufacturers Bank of Edgewater said the group is prepared to purchase all available stock in the bank and name a new president and board of directors.

The bank was closed last Thursday by the State Dept. of Banking and Insurance after an examiner questioned the notes.

## Construction Contract Awards Show Increase

NEW YORK (AP)—Heavy construction contract awards reported in the week ended Monday declined to \$455,420,000 from \$733,043,000 the previous week, Engineering News-Record and Construction Daily said today.

This compared with \$393,636,000 for the corresponding week in 1957.

The current week's total brought to \$11,841,886,000 the volume for the 30 weeks so far this year, 7 per cent ahead of last year's pace.

## Public Hearing in Adams Case May be Dropped

WASHINGTON (AP)—A House Armed Services subcommittee may abandon plans for a public hearing into Sherman Adams' connection with an Army contract settlement.

Chairman F. Edward Hebert (D-La.) said the group, already running behind schedule on its preliminary closed-door sessions, won't consider open hearings until its record is complete.

He said the subcommittee might decide to make public the transcripts of testimony taken behind closed doors rather than recall witnesses for open questioning. Hebert said the probe would continue into next week.

The subcommittee is trying to determine whether Adams exerted any improper pressure in behalf of Rayline Worsted Inc., of Manchester, N. H. The firm last year received a \$41,284 rebate on a 16-year-old penalty payment for late delivery of fabrics.

Adams, top aide to President Eisenhower, has said he did nothing more than pass along routine queries on the case. Former officials of Rayline, now defunct, also deny that any pressure was brought.

Eisenhower in the White House, 8 per cent.

But while the over-all living cost level soared 105 per cent in those 20 years, some individual family budget items didn't go up that much and some advanced much more.

For example, where the cost of gas and electricity rose only a little over 11 per cent, coal and fuel oil jumped 129 per cent.

## Stengel's Tribe Continues Massacre of Detroit Tigers

By ED WILKS

Associated Press Sports Writer

Maybe the toughest run of bad luck the Detroit Tigers have had this season was taking seven in a row from the New York Yankees, for now the American League leaders have come bombing back in reprisal.

In two nights Casey Stengel's machine has cracked the Tigers for 41 hits and 29 runs.

Wednesday night the Yankees belted Frank Lary for four runs, then celebrated with a pair of six-inning games against three other lumps for a 16-4 victory.

New York again has a 13-game bulge over second-place Boston, beaten 3-1 at Kansas City. Baltimore retained third by defeating the Chicago White Sox 6-4. Cleveland whipped Washington 5-3.

In the National League, Milwaukee jumped back into the lead with a 5-0 decision over St. Louis on Joey Jay's two-hitter. San Francisco slid to second, a game behind, with 3-2 and 2-0 defeats at Philadelphia. Cincinnati de-

feated the Chicago Cubs 6-5 in 10 innings and Pittsburgh plunked Los Angeles back into the cellar, sweeping a two-night pair 11-3 and 6-3.

The A's beat Red Sox rookie Bill Monbouquette in his first major league decision with an unearned run in the first and a pair in the third on three singles and Bob Cerv's sacrifice fly. Ralph Terry blanked the Sox on five hits until Pete Runnels singled and Ted Williams doubled him home in the eighth.

The Orioles, within 2½ games of second, had only four hits for eight innings, then beat Early Wynn (9-10) with four runs in the ninth at Chicago. Joe Ginsberg, who earlier counted two runs with his first homer, singled home the first run of the rally. Jack Harshman's pinch single tied it and Bob Boyd's two-run double won it for reliever George Zuverink (2-1).

Russ Nixon drove in three runs for the Indians with a homer and a two-run double that capped a three-run, come-from-behind seventh inning.

## Pal Joey Jay Wins Another Important One for Braves

By ED WILKS

Associated Press Sports Writer

Pal Joey has won another big one for Milwaukee, this time with a two-hitter that hoisted the Braves back into the National League lead.

Young Joey Jay blanked St. Louis 6-0 on a pair of singles Wednesday night as the champs moved a full game ahead of San Francisco.

The Giants, after winning six in a row, slipped to second with 3-2 and 2-0 defeats at Philadelphia. The first was a completion of a June 22 suspended game and marked Eddie Sawyer's return as manager of the Phils, who moved from sixth to within .001 of fourth place St. Louis.

Cincinnati defeated the Chicago Cubs 6-5 in 10 innings and Pittsburgh plunked Los Angeles back into the cellar with an 11-3 and 6-3 two-night sweep.

The Phils trailed 1-0 with two on and two out in the sixth when the June 22 curfew sounded. Wednesday night, lefty Harry An-

derson tagged a three-run homer off southpaw Johnny Antonelli when play resumed. That beat Ruben Gomez, the starter back in June, and gave Robin Roberts a 9-9 record although the Phils managed just three hits.

The Giants' streak officially ended in the regulation game. Rookie Ray Sempach won his 12th with a five-hitter for his second shutout, both over the Giants.

Frank Robinson drove in four runs for the Reds, two with a double that capped a four-run fifth and the other pair with his winning, 13th homer off reliever Don Elston (7-6). Hal Jeffcoat (5-6) won it in relief, after giving up Bobby Thomson's solo homer in the 10th. George Crowe also belted a two-run homer for the Reds.

Ron Kline won his 10th with a four-hitter in the opener for the Pirates, blanking the Dodgers on one hit after Steve Bille's homer in the first inning. Stan Williams (6-4) lost it. Roberto Clemente lined a three-run, inside-the-park homer.

Dick Groat, who had two RBIs in the opener, drove in four in the nightcap.

### VIO POWER FINED

CLEVELAND (AP)—Cleveland Manager Joe Gordon said he has fined Vic Power for his failure to report on time for the first game of a two-night double header Tuesday night.

Gordon, however, declined to reveal the amount of the fine. "Power claimed he didn't know we were playing two games," Gordon said. "That's no excuse. Everyone else knew it."

## SPORTSMAN'S DIGEST

A FISHING ACQUAINTANCE OF MINE ALWAYS CARRIES A FEW TINY HOOKS TO BAIT FOR MINNOWS IF FISH WON'T TAKE HIS ARTIFICIALS OR WORMS. IN JUST MINUTES, HE CATCHES A MINNOW IN A QUIET, SHADY POOL, SHALLOWS, OR SPRING, USING A BIT OF WORM, MEAT, OR BREAD "PIEL" FROM A SANDWICH, FOR BAIT. THEN HE IS SOON PLAYING A TROUT. THIS HAS SAVED HIM MANY TIMES WHEN ONLY MINNOWS "WORKED."

A TINY FLY HOOK, WITH DRESSING SCRAPED OFF, IS USABLE.

## Speaking of Sports

Youngsville Archery Club is conducting a shoot at their park on May 22, 1957. McLish gained the dubious distinction of tying a major league mark for most home runs allowed in one inning when four Boston batters homered. Possibly the finest accolade coming McLish's way this season was Casey Stengel's observation after McLish had throttled the Yanks earlier this month. "That fellow with all those names—he sure knows how to pitch," the old master noted.

International Golf Spendors' Association have received permission to hold the Association's annual meeting at Tam O'Shanter Country Club in Chicago next week. In view of the lead that an official of IGSA has taken in refusing to kick back entry fees to Professional Golfers' Association, this meeting at Tam O'Shanter can right well prove to be of great significance in the future of Tournament Golf.

He might not be the Indians' biggest boy, but he has the longest name—Calvin Coolidge Julius Caesar Tusahoma McLish. C.C.J.C.T. McLish has fashioned the Tribes' longest winning streak of 1958. With five straight victories including decisions against each of the American League's first division clubs, the silent Oklahoman has not only established himself as a top flight member of Cleveland pitching staff but has become the talk of the league. Cal, 32, is a "cute" pitcher pitcher whose uncanny control of his breaking stuff is his chief asset. In his last six starts he has yielded but 44 hits and 13 earned runs in 50 innings for an ERA of 2.34. He would have six victories in a row but for a heart-breaking 2-1 defeat by Boston in Cleveland June 26. His finest game to this season came in Yankee Stadium when he downed the American League pennant winners. He gave up but five hits and one run before being removed for a pinch hitter during an eighth inning rally. Another gratifying win was last Sunday's 9 to 4 triumph over Boston in Fenway.

Park with its short left field wall. For in that very same park on May 22, 1957, McLish gained the dubious distinction of tying a major league mark for most home runs allowed in one inning when four Boston batters homered. Possibly the finest accolade coming McLish's way this season was Casey Stengel's observation after McLish had throttled the Yanks earlier this month. "That fellow with all those names—he sure knows how to pitch," the old master noted.

Lowell Perry, one of the brightest prospects in Pittsburgh Stealers' 26-year-National League history, announced today he has definitely decided to retire as an active player. At the same time, Art Rooney, president of the Stealers, signed the brilliant end, whose playing career was cut short by an injury, as a full-time scout. Perry joined the club in 1956 and in the sixth game of the season—against New York Giants—his bright career came to an abrupt halt. On a routine end-around play, Perry, after making considerable yardage, was cutting back to break into the clear when he was sandwiched in a tackle between two Giants. A freak accident—the kind that happens on the highway and seldom on the football field—occurred. He suffered a fractured pelvis and a dislocated hip. He attended Duquesne Law School for a year, will enter Michigan Law this fall.

Erie Speedway's grudge race Friday night between Rich Bonnell, current point leader and Joe Sharkey, his arch-rival, promises to be a gruelling battle for race fans. Last Friday, Bonnell was involved in an accident with Jake Foster and the two battled after the crash up. Foster won't be running Friday, but will be on the side-

## Campagna Planning To Return to Ring

Joe Campagna, welterweight pugilist, will return to area arenas in a few weeks, after having a medical leave of absence for eight months Campagna is presently working out in the YMCA with Rock Gerarde and will probably be seen in action next month in Erie. Joe is under the careful trained eye of Joe Fazio. Last evening, Fazio reported that Campagna has been sparring with Gerarde, speeding up the Champ. Promoter Don Elbaum is looking for a "green" boy to put in with Campagna, in the first amateur fight.

## HOT STOVE NEWS

Thomas Coupling scored one run in the first inning to hold Youngsville Cabinet to a 1-0 contest on South Side diamond in a Bantam League encounter Wednesday. No extra base hits were recorded. Erickson and Simmons composed winning batteries; Shine and Shortt for Youngsville.

Cadet action found Penn Furnace winning over Elks' Club 8-4 on Beaty, Vavala homered and Don Wilson tripled. Winning pitcher, Wilson, loser Lawton.

Junior League battles saw Industrial Oil going down to defeat 4-3 at the hands of Struthers Rose and Betts submitting to Style Shop 8-7 on Jackson. Hogan and Wooster composed Struthers batteries. DeFabio and Ristau for Industrial Grady doubled for the winners.

F. Supps tripled for Betts with Carbon connecting for a single to win. Reynolds and Castiano acted as Betts batteries. Haslet and Terry for Style Shop.

Scoring four runs in the sixth, Siefferts lost a Cadet League to Kinzua 15-4 on Lacy last evening. The win upped Kinzua's fine record to 13 wins against no losses. Siefferts lost one more than they've won, 6 and 7. Platt, winning pitcher, tripled for Kinzua. Schroder doubled. Winslow homered for Siefferts behind losing batteries of Winslow and Quackenbush. Starr was behind the plate for Kinzua.

## Horseshoe Pitchers Staging Tournament

MURRAY, Utah (AP)—The nation's top horseshoe pitchers qualified for the world's championship tournament Wednesday night.

Leading the qualifiers was Don Titcomb of Sunnyvale, Calif., with 568 points out of a possible 600. He was the runner-up last year.

Ten Allen of Boulder, Colo., the defending champion, did not have need to qualify.

The 36 Class A qualifiers will throw for three days in two groups of 18 and the top seven from each group will play a round robin match for the title—next Wednesday night.

Pitching — Joey Jay, Braves, shut out the Cardinals on two singles, struck out seven, walked none and faced but 29 batters in 6-0 victory that hoisted the Braves back into National League lead.

Hitting—Frank Robinson, Redlegs, his two-run homer beat the Cubs 6-5 in the 10th inning after his two-run double had built a 4-2 lead in the fifth.

## Koch's Beat Art Metal, Rockets Play Tonight

Municipal Stadium in Jamestown Wednesday evening was the scene of a come-from-behind victory for Dunkirk Koch's over Art Metal Metallites in Intercity League action.

League-leading Marlin-Rockwell Rollers and Warren Rockets will come to grips in Municipal Stadium tonight at 7.

Metallites were riding along on a 6-5 lead until the seventh when a defensive collapse, plus the Brewers' heads-up running game broke Jamestown's collective back.

Visitors stole six bases, including Johnny Farrell's theft of home and Woloszyn's pilferage of second in the sixth.

## Brown Scores an Unanimous Win Over Kenny Lane

HOUSTON, Tex. (AP)—Boxing's thin man, miniature dark destroyer Joe Brown, is going to get a good rest, a reward for being one of the busiest champions in the game today.

Little Joe beat Kenny Lane of Muskegon, Mich., the last persistent challenger for his world's lightweight title, Wednesday night before the largest crowd in Texas boxing history—10,994.

Lou Viscusi, Brown's manager observed: "He is the only champion to defend his title three times in eight months. He deserves a rest. I have no plans for him at this time. I am now concentrating on the Floyd Patterson-Roy Harris fight."

Viscusi also manages Harris.

Brown won a unanimous but close decision over Lane, the rugged farm boy from Michigan, who had some bright moments in his efforts to become the first left-hander lightweight champion.

Lane claimed he thought he had such a lead that he coasted the last round. But it was the last round that Brown won the widest margin — and that apparently was what clinched the fight to Brown.

It was a steady, hard-socking bout that saw Brown do the most physical damage but never able to land the kind of blow that had sent four previous challengers kicking since he became champion in August 1956.

Each entered the fight weighing 134½ pounds.

## Pirates Assured Of Series Edge Over the Dodgers

PITTSBURGH (AP)—It's been a long time coming.

For the first time since 1901, the Pittsburgh Pirates assured themselves of a series edge over those Dodgers by defeating Los Angeles 11-3 and 6-3 in a two-night doubleheader Wednesday.

The twin kill, which gives Pittsburgh a 12-7 edge over the Dodgers for the season with only three games left, also enabled the Pirates to move into sixth place, a percentage point ahead of Cincinnati. The defeats dropped Los Angeles into the cellar.

Ron Kline and Bob Friend, the winning pitchers, now have defeated the Dodgers four times each this year.

Frank Thomas and Roberto Clemente led a 14-hit attack in the first game with home runs. Thomas' 27th home run enabled him to take the National League lead over Ernie Banks of Chicago who has 26.

In the first game, the Pirates had seven extra base hits, including two triples by Dick Stuart and one by Bill Virdon.

Dick Groat drove in four runs in the second game, three with a double.

Kline gave up three of the four hits he allowed in the first inning when the Dodgers scored their three runs, two on Steve Bille's 9th homer.

### BEOWULF—POST 4

Buffalo Raceway meeting heads into the homestretch tonight with only 2 more programs remaining on the 1958 calendar which closes on Saturday night. Tonight's card will feature 6 Class A races, coming out for their final crack at a \$2000 purse at Hamburg in the seventh race. Beowulf, driven to a new lifetime record of 2:03-2/5 by Howard Landers last Friday night, will occupy the favorite's niche on the morning line in this mile dash.

Beowulf, one of the best of Wee Laird's crop, will leave from post position 4 seeking his fifth win this year for owners Mr. and Mrs. Philip Davis of Buffalo.

Each year, U. S. citizens read about 18,500,000,000 newspapers, 4,500,000,000 magazines and 450,000,000 books.

## Betts Machine on Short End of a One-Sided Game

Approximately 175 persons witnessed a one-sided game last evening on West Side Field when the two top City Softball League teams battled in a nine inning encounter. Behind fine pitching of "Mel" Speicher, Soda Mineral trounced Betts 10-1.

Speicher allowed seven scattered hits while striking out 11. Soda Mineral collected 10 runs on eight hits. The winners came through again with brothers Harold and Billy Brown.

## Jack White and Dick Koebly Collecting Two Hits Apiece. Both Brown Boys Added Another Home Run Each to Their Laurels. Harold Hit His Ninth Four Bagger of the Season With Only a Total of 16 Hits at the Plate.

Lou Cummings scored the only extra-base blast for Betts when he doubled in the fourth, later scoring their lone run. Ned Bartholomew and Sid Cummings had two hits apiece for the losers.

Four times during the season, these two teams have met with Soda Mineral taking three of the four contests. Last night's winners has a record of 16 wins and only one defeat, their only loss coming from this same Betts squad earlier in the year.

Betts lost four contests this year, three to Soda Mineral, one to Jones Chevrolet of Sheffield.

No League games are scheduled until Monday when Struthers Wells and Betts Machine battle at State Hospital, Youngville Nat'l and Nino's Restaurant on West Side.

## Weary Horse Wins Over Two Footmen In Marathon Race

ROOSEVELT, Utah (AP) — A winded, weary horse won, but a New York City policeman and a North Carolina postman made a good showing for the human animal in a 157-mile marathon race.

The horse, with 24-year-old Stewart Paulick of Tooele, Utah, aboard, crossed the finish line in this eastern Utah cattle town at 3:16 p.m. Wednesday — just 29 hours, 31 minutes and 42 seconds after the race began in Salt Lake City Tuesday morning.

Paulick's horse was placed under a veterinarian's care. It was feared he might be coming down with pneumonia.

When the horse reached Roosevelt, postman Paul Simpson, 53, of Burlington, N. C., was still running—about 50 miles from the finish. He vowed he wouldn't quit, but officials finally persuaded him to about 8 p.m. He was about 35 miles short of his goal.

Edo Romagnoli, 37-year-old New York policeman from Ozone Park, N. Y., was neck-and-neck with the horse for 100 miles. But he dropped behind and quit at the 118-mile mark—his toenails worn off and his legs aching.

Romagnoli covered the 100 miles in 21 hours, 22 minutes.

Three distance runners and four horsemen started the marathon.

**Seven Lineup Changes Pulled by Richards**

Chicago (AP)—Baltimore Manager Paul Richards, a master juggler, really shook up his team Wednesday when they took the field in the ninth inning against the Chicago White Sox.

Here is how the Orioles looked, with seven lineup changes in the ninth:

A new battery with Arnold Portocarrero pitching and Gus Triandoes catching; Hal Brown, a pitcher, went in at third base; Brooks Robinson shifted from third to second; Billy Gardner moved from second to shortstop; Jim Busby took over center; and Al Pilarcik moved over to right.

## Ann Creed Proves Big Sensation at Western Amateur

By CHARLES CHAMBERLAIN  
CHICAGO (AP)—"She's a little tiger."

That's how medalist Anne Quast described her quarter final opponent, Clifford Ann Creed of Opelousas, La., before they teed off today in the Women's Western Amateur golf tournament.

The match promised to be the best in the quarterfinal round as the 20-year-old Miss Quast, medalist and winner in 1950, tried to uphold Curtis Cup prestige.

She and Barbara McIntire of Jupiter, Fla., and Anne Richardson of Columbus, Ohio, were the only members of the Curtis Cup team remaining out of an original group of seven playing in the tourney.

Defeated in Wednesday's second round were Polly Riley of Fort Worth, 3 and 2 by Mrs. Paul Dye Jr. of Indianapolis, and Barbara Romack of Sacramento, Calif., by a whopping 7 and 5 by Miss McIntire.

## Penn'a Public Link Tournament Starts at Hershey

HERSHEY, Pa. (AP)—Pay-as-you-play golfers from public courses across the state came here today for the 23rd annual Pennsylvania Public Links golf championship.

More than 100 of the Commonwealth's top public course players were enrolled for the three-day 72-hole tournament at the rugged Hershey Park course — site last year of the National Public Links championship tournament.

Among the early entrants this year was defending champion Paul Garrison of the host club. He won the crown from his brother, Art, last year with a 298.

On the agenda for the tournament will be 18 holes each day through Friday. The medal and team trophies will be awarded on the showing of golfers in the first 36 holes of play. On Saturday 36 holes of medal play will determine the 1953 champion.

The club having four members with the lowest aggregate score after 36 holes wins the team trophy. Hershey is the defending team champion.

## World Champions Are Back in Top Position Today

MILWAUKEE (AP) — Five years ago when the Milwaukee Braves signed Joey Jay for a \$40,000 bonus few of his teammates would talk to him and his pitching seldom gave them anything to talk about.

But now the 22-year-old right-hander is the top topic of conversation among friend and foe alike.

Jay pitched the world's champions back into first place Wednesday night with a two hit 6-0 shutout over St. Louis.

It was Joey's sixth victory since becoming a starter June 13, his fifth in a row and his third shutout. His earned run average for nine starting assignments he has lost three is 1.25.

Jay, no longer resented as \$40,000 worth of excess baggage, said he began to think about a no-hitter in the fifth inning. That was the same frame in which Gene Freese ruined his bid for a perfect game with a sizzler off third baseman Eddie Mathews glove. Don Blasingame got the other hit, a scratch single in the ninth.

## Speculation Over Next Managerial Change in Majors

By JACK HAND  
Associated Press Sports Writer  
NEW YORK (AP) — Jack Tighe, Bobby Bragan and Mayo Smith have walked the plank. Who's next?

The palace revolution in baseball already has matched the 1957 total. With two months to go, it may balloon to the size of the 1952 purge when front office bosses fired five major league managers during the season.

When Tighe was ousted June 10 and replaced by Bill Norman, his Detroit Tigers were running last 12½ games behind the New York Yankees. Despite a spurt under Norman and great success against the Yanks, the club was 17½ games back and sixth as it went into today's game with New York.

## Yanks' Siebern Blazing on Eight Game Hit Streak

DETROIT (AP) — Just a few weeks ago Casey Stengel called Norm Siebern "an almost big leaguer."

Now Siebern, the latest in a long line of slugging New York Yankee outfielders, has persuaded his manager to remove the "almost" part of the description.

Siebern is on an eight-game hitting streak in which he has collected 20 hits in his last 37 at-bats for a .541 batting average. In his last two games, against the Detroit Tigers, Siebern has hit safely six times in 10 at-bats, pounded out a pair of home runs and driven in five runs.

Currently hitting .321 with nine home runs, Siebern is helping Yankee fans forget about Mickey Mantle's off year.

## Rademacher To Meet Folley Friday Night

Los Angeles (AP)—The nation's boxing fans get their first view of Pete Rademacher, ex-ruler of the world amateur heavyweights, on television Friday night.

Big Pete created a sensation last year when, in his first match as a professional, he landed and lost a title battle with champion Floyd Patterson.

He was almost as choosy in opponents for his second fight as a pro. He meets Zaro Folley of Chandler, Ariz., who shares with Eddie Machen the role of No. 1 challenger for Patterson's crown.

The encounter, billed for 10 rounds, goes on at 7 p. m., Pacific Daylight time. It will be televised by the National Broadcasting Co. with Southern California blacked out.

(From Page Four)

on the ground that orderly government is in control in Lebanon and American forces are no longer needed.

This would take some — but by no means all — of the urgency out of Khrushchev's professed desire to settle Middle Eastern problems. British troops almost certainly would not be pulled out of Jordan that soon.

They were sent in there at the request of King Hussein who, like Chamoun, said he feared his government would be overthrown.

There is a widespread, angry Arab mood against Hussein and against the British for rushing in to help him. If the British forces were withdrawn any time soon Hussein's days might be short.

Because both British Prime Minister Macmillan and Khrushchev agreed they shouldn't try to vote in the Security Council — where the Soviets are overwhelmingly outnumbered by this country and its friends on the 11-nation Council — perhaps any talking the heads of government actually did publicly in the Council might be simply spoken words.

There's no reason why they couldn't leave their regular delegates in the Council then and adjourn to a meeting behind closed doors.

## Forest-Stream Chatter

Boys are known to have a seemingly inexhaustible store of energy and plenty of curiosity, and American lads have a natural desire to own and shoot a gun. There's nothing wrong with this except that it can add up to trouble during vacation time.

In most cases parents have found the surest gun safety measures to be: 1. Keep all firearms in the home unloaded. 2. Lock up all ammunition. 3. Teach sons safe firearms handling, at home, on the range and in the hunting field.

Many a father has learned that by taking his son to a rifle range for practice and occasionally taking him crow or woodchuck hunting he has satisfied the boy's desire for summertime shooting. Following this procedure dad can rule (and Junior will usually comply), "Leave guns alone—at home or in the company of other boys—except when you and I are, together or you accompany an adult with whom I have said it is alright to shoot."

Many a busy dad has suddenly come face to face with the fact his "little boy" is little no longer; he is about to enter college or military service. Too late then to lament, "I wish I had spent more time with my son." In this connection, Henry P. Davis, Public Relations Director for Remington Arms Co., makes an excellent suggestion:

"A father-son camping trip

opens new vistas in personal relationships for both," says Davis. "It places them on a 'buddy basis' which develops a spirit of camaraderie that is bound to bring them closer together. The length of the trip makes no difference. It may be a week's fishing jaunt in the wilderness or only a single night under stars along some neighborhood pond or in some nearby woods. But somewhere and somehow something will happen that will bring the pair closer together. It never fails. It may be a 'man-to-man' talk about things that are not common to everyday conversation, or it may be some display of ingenuity that will add to the stature of the father or increase the father's interest in his son. Regardless of its nature, the pair will return home with a new found respect for each other and the bond of affection between them more solidly forged."

## Sale of Series E and H Bonds Show Increase in '58

Series E and H Savings Bond purchases during the first half of 1958 in Pennsylvania were \$227,230,000 or 6 1/2% ahead of sales for the same period last year. This amounts to 51.6% of quota for the year.

National purchases of \$2,477 million for the first six months of 1958 were 7 per cent ahead of the figure for the same period in 1957, while redemptions were down 10 per cent.

A sharp increase in Pennsylvania purchases of \$36,300,000 in June 1958 resulted in a jump of 10.2% over purchases in June 1957. This gain is contrasted with national purchases of 376 millions showing a 4% gain for the same period.

State Chairman Charles S. Krumrine pointed out that this spectacular gain comes about because of Share-in-America campaigns in many Pennsylvania cities which have resulted in thousands of new regular buyers of Savings Bonds. Labor unions, corporations, churches and clubs are taking advantage of the opportunity to purchase Series E and Series H Savings Bonds opened up to them for the first time this year.

"The improved yield of Savings Bonds," Krumrine said, "as contrasted with many other forms of non-speculative savings has presented a wide appeal to people in our state and nation."

County Chairman Harry Conarro reports that in Warren County sales of Series E and H bonds totaled \$135,958 during June. This compares with sales of \$81,643 for the same month last year.

The cash dollar value of E and H bonds outstanding as of June 30 amounted to \$2,142 million. This is an increase of \$644 million in the past year. Of the amount outstanding \$38,067 million are in E appreciation bonds; \$4,075 million in H current income bonds.
